Video 1: An unboxing and initial overview of the Lenovo Ideapad 3 Laptop, highlighting its design and features.

3. SETUP

3.1 Initial Power On

1. Connect the power adapter to the laptop's charging port and a power outlet.
2. Open the laptop lid.
3. Press the power button, typically located on the top-right side of the keyboard deck.

3.2 Operating System Setup (Windows 11 Home)

Follow the on-screen prompts to complete the Windows 11 Home setup. This includes:

- Selecting your region and keyboard layout.
- Connecting to a Wi-Fi network.
- Signing in with or creating a Microsoft account.
- Setting up a PIN for quick login.

Webcam	Built-in HD Webcam with Microphone (Privacy Shutter)
Audio	Dolby Audio with Stereo Speakers
Battery Life	Up to 7 Hours
Weight	3.74 Pounds
Color	Platinum Grey

8. MAINTENANCE

To ensure the longevity and optimal performance of your Lenovo Ideapad 3 Laptop, follow these general maintenance guidelines:

- **Keep it Clean:** Regularly wipe the screen with a microfiber cloth and clean the keyboard with compressed air to remove dust and debris.
- **Software Updates:** Keep your Windows 11 operating system and drivers updated to ensure security and performance.
- **Battery Care:** Avoid extreme temperatures and try to keep the battery charge between 20% and 80% for optimal battery health.
- **Ventilation:** Ensure the laptop's vents are not obstructed to prevent overheating.

9. TROUBLESHOOTING

If you encounter issues with your laptop, consider these basic troubleshooting steps:

- **No Power:** Ensure the power adapter is securely connected to both the laptop and a working power outlet. Try a different outlet if necessary.

- **Screen Issues:** If the screen is blank, try pressing the power button briefly or connecting to an external monitor via HDMI to check if the display is the issue.
- **Slow Performance:** Close unnecessary applications, check for malware, and ensure your operating system is up to date. Consider upgrading RAM or storage if performance remains consistently slow.
- **Connectivity Problems:** For Wi-Fi or Bluetooth issues, try restarting your router/modem or toggling the wireless features on/off in Windows settings.

10. WARRANTY & SUPPORT

Your Lenovo Ideapad 3 Laptop comes with a standard manufacturer's warranty. For specific warranty details, please refer to the documentation included with your product or visit the official Lenovo support website.

Additional protection plans are available for purchase:

- **2-Year Protection Plan:** Available for \$58.99
- **4-Year Protection Plan:** Available for \$99.99
- **Complete Protect:** Monthly plan for \$16.99/month, covering eligible past and future purchases.
