4. SETUP

4.1 Charging the Speaker

1. Locate the Type-C charging port on the speaker.
2. Connect the provided USB Type-C cable to the speaker's charging port.
3. Connect the other end of the USB cable to a compatible USB power adapter (not included) or a computer's USB port.
4. The charging indicator light will illuminate. A full charge typically takes approximately 45 minutes, providing up to 6-7 hours of playback time.

4.2 Bluetooth Pairing

1. Power on the speaker by pressing and holding the power button. The speaker will enter Bluetooth pairing mode, indicated by a flashing LED light.
2. On your mobile device, navigate to the Bluetooth settings.
3. Search for available devices and select "SoundDrum P" from the list.
4. Once connected, the LED indicator will stop flashing and remain solid, and you will hear an audible confirmation.

5. OPERATING INSTRUCTIONS

5.1 Controls Overview

The speaker features intuitive controls for easy operation:

- **Power Button:** Press and hold to turn on/off. Short press to change mode.
- **Play/Pause Button:** Press to play or pause audio.

- **Volume Up (+):** Press to increase volume.
- **Volume Down (-):** Press to decrease volume.
- **Next Track:** Press and hold Volume Up (+) button.
- **Previous Track:** Press and hold Volume Down (-) button.

5.2 Connectivity Options

The SoundDrum P offers versatile connectivity:

- **Bluetooth:** Connect wirelessly to any Bluetooth-enabled device.
- **USB Slot:** Insert a USB drive to play audio files directly.
- **Aux-in Port:** Connect external audio sources using a 3.5mm audio cable (not included).

5.3 Handsfree Calling

When connected via Bluetooth, the in-built microphone allows you to answer calls directly through the speaker. Press the Play/Pause button to answer or end a call.

6. MAINTENANCE

To ensure your speaker remains in optimal condition:

- Keep the speaker clean by wiping it with a soft, dry cloth.
- Avoid exposing the speaker to extreme temperatures or direct sunlight for prolonged periods.
- While the speaker is splash-proof, avoid submerging it in water. Ensure the port cover is securely closed when near water.
- Store the speaker in a cool, dry place when not in use.

7. TROUBLESHOOTING

If you encounter issues with your SoundDrum P, refer to the following common solutions:

- **No Power:** Ensure the speaker is fully charged. Connect it to a power source using the Type-C cable.
- **Cannot Pair via Bluetooth:**
  - Ensure the speaker is in pairing mode (flashing LED).
  - Turn off and on your device's Bluetooth.
  - Move the speaker closer to your device.
  - Clear previous Bluetooth connections on your device if necessary.
- **No Sound:**
  - Check the volume levels on both the speaker and your connected device.
  - Ensure the correct input mode (Bluetooth, USB, Aux) is selected.
  - If using Aux-in, ensure the cable is fully inserted and functional.
- **Distorted Sound:**

- Reduce the volume on both the speaker and your device.
- Ensure there are no obstructions between the speaker and the Bluetooth device.

8. SPECIFICATIONS

Feature	Specification
