XPGOODUSA LED

XPGOODUSA Dream LED Neon Sign Light User Manual

Model: LED

1. Introduction

This manual provides instructions for the safe and proper installation, operation, and maintenance of your XPGOODUSA Dream LED Neon Sign Light. Please read this manual thoroughly before use and retain it for future reference.

Image 1.1: The XPGOODUSA Dream LED Neon Sign Light, featuring the phrase "Cocktails & Dreams" in multiple colors, designed for decorative lighting.

2. Safety Information

- Ensure the power supply voltage matches the requirements specified for the sign.
- Do not expose the sign to water or excessive moisture. This product is for indoor use only.
- Handle the sign with care. It contains real glass tubes which can break if dropped or mishandled.
- Keep out of reach of children.
- Do not attempt to repair or modify the sign yourself. Contact qualified personnel for service.
- Unplug the sign from the power outlet before cleaning or when not in use for extended periods.

3. Package Contents

Verify that all components are present and undamaged upon opening the package.

- XPGOODUSA Dream LED Neon Sign Light (Model: LED)
- Power Adapter (pre-attached or separate)
- Mounting accessories (e.g., chains, screws - may vary)

4. Features

- **Size:** Approximately 16" x 13" (frame size).
- **Material:** Real Glass Tube Neon Sign.
- **Craftsmanship:** 100% Handmade with high-temperature bending techniques.
- **Illumination:** Bright and colorful LED neon light.
- **Energy Efficiency:** Designed for energy saving.

Image 4.1: Illustrates the initial step of high-temperature bending of glass tubes, a key part of the sign's handmade production.

Image 4.2: A visual representation of the detailed, handmade process involved in creating the real glass neon tubes for the sign.

5. Setup and Installation

The XPGOODUSA Dream LED Neon Sign Light is designed for wall mounting. Follow these steps for installation:

1. **Unpack:** Carefully remove the sign and all accessories from the packaging. Inspect for any damage.
2. **Choose Location:** Select a suitable indoor wall location, ensuring it is dry and away from direct heat or moisture.
3. **Mounting:**
    - Identify the mounting points on the back of the sign (e.g., pre-drilled holes or attached chains).
    - Use appropriate hardware (screws, wall anchors, or hooks for chains) suitable for your wall type.
    - Securely mount the sign to the wall, ensuring it is level and stable.
4. **Connect Power:** Plug the power adapter into a standard electrical outlet.

6. Operating Instructions

Operating your XPGOODUSA Dream LED Neon Sign Light is straightforward:

1. **Power On:** Once the sign is securely mounted and the power adapter is plugged into an outlet, the sign should illuminate automatically.
2. **Power Off:** To turn off the sign, simply unplug the power adapter from the electrical outlet.

Some models may include an inline switch on the power cord for convenience. If present, use this switch to toggle the sign on and off.

7. Maintenance

To ensure the longevity and appearance of your neon sign, follow these maintenance guidelines:

- **Cleaning:**
  - Always unplug the sign before cleaning.
  - Gently wipe the glass tubes and acrylic backing with a soft, dry, lint-free cloth.
  - For stubborn marks, slightly dampen the cloth with water, but avoid spraying liquids directly onto the sign.
  - Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the sign's finish or components.
- **Handling:** Avoid touching the glass tubes unnecessarily, as oils from your hands can leave marks.
- **Storage:** If storing the sign, ensure it is in its original packaging or a well-padded box to prevent damage to the glass tubes. Store in a dry, cool place.

8. Troubleshooting

If you encounter issues with your neon sign, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Sign does not light up.	No power to the outlet. Power adapter not properly connected. Faulty power adapter or sign.	Check if the outlet is working by plugging in another device. Ensure the power adapter is securely plugged into both the sign and the wall outlet. If issues persist, contact customer support.
Sign flickers or dims.	Loose connection. Inconsistent power supply.	Check all connections. Try plugging into a different outlet.
Glass tube is broken.	Physical impact.	Unplug immediately. Do not attempt to use. Contact customer support for replacement or repair options.

9. Specifications

Attribute	Detail
Brand	XPGOODUSA
Model Number	LED
Product Dimensions	43.18 x 33.02 x 0.03 cm (16" x 13" approx.)
Item Weight	1.33 kg
