6. OPERATING INSTRUCTIONS

The Feandrea Cat Tree is designed for intuitive use by your feline companions. No complex operation is required.

- **Encourage Exploration:** Place the cat tree in an area where your cat feels comfortable and can easily access it. You may use treats or toys to encourage initial exploration.
- **Scratching Surfaces:** The sisal-covered posts and ramp are intended for scratching. Encourage your cat to use these surfaces to help protect your furniture.
- **Resting Spots:** The cave, basket, and perches provide various options for your cat to rest, sleep, or observe its surroundings.

7. MAINTENANCE

Regular maintenance will ensure the longevity and hygiene of your cat tree.

- **Cleaning the Perch Cover:** The top perch features a removable cover for easy cleaning. Remove the cover and hand wash it as needed. Allow it to air dry completely before reattaching.
- **General Cleaning:** Use a lint roller or a soft brush to remove loose fur and dust from the plush surfaces. For spot cleaning, use a damp cloth with mild soap and water, then blot dry. Avoid harsh chemicals.
- **Sisal Care:** Periodically check the sisal scratching surfaces for wear. While durable, heavily used areas may fray over time.
- **Structural Check:** Regularly inspect all connections and tighten any loose screws to maintain stability.

Removable, Washable Cover

Cleaning is as easy as 1-2-3 now.

Filled-to-the-brim edges offer
comfy head support.

Remove the cover for cleaning.

When the cover is removed,
there's still a soft plush surface.

8. TROUBLESHOOTING

- **Damaged Cat Cave/Scratching Surfaces:** If the cat cave or scratching surfaces become excessively scratched or damaged by your cat's claws, repair or replace the affected parts immediately. Continued use with damaged components may pose a risk of injury to your pet.
- **Instability:** If the cat tree feels unstable, ensure all connections are securely tightened. Verify that the anti-tip kit is properly installed and anchored to a sturdy wall.
- **Cat Not Using the Tree:** Cats may need time to adjust to new furniture. Try placing familiar toys or catnip on the tree to encourage use. Ensure the tree is in a quiet, accessible location.

9. SAFETY NOTES

- Always secure the cat tree to a wall using the provided anti-tip kit to prevent it from falling over, especially with active cats.
- Regularly inspect the cat tree for any loose or damaged parts. Repair or replace them promptly to ensure your pet's safety.
- Keep small children away from the cat tree during assembly and ensure they do not climb on it.
- Place the cat tree on a flat, stable surface.
- This product is intended for indoor use only.
