

ALAULM XL-13 Pcs Sofa/Fire Pit

ALAULM XL-13 Piece Outdoor Patio Furniture Set with 43-inch Propane Fire Pit Table (Grey)

Instruction Manual

1. SAFETY GUIDELINES

Read all instructions before assembly and use of this product. Failure to follow these instructions may result in property damage, personal injury, or death.

- **CSA Certification:** The propane fire pit is CSA certified, ensuring it meets safety standards.
- **Ventilation:** Always use the fire pit in a well-ventilated outdoor area. Never use indoors or in enclosed spaces.
- **Battery Installation:** Ensure a AAA battery is correctly inserted into the spark ignition system before attempting to light the fire pit.
- **Clearance:** Maintain adequate clearance from combustible materials.
- **Wind Guard:** The tempered glass wind guard must be properly installed during operation to prevent flame disruption and enhance safety.
- **Children and Pets:** Keep children and pets away from the fire pit during operation and while it is cooling down.
- **Fuel:** Use only propane gas as fuel for the fire pit.

2. PACKAGE CONTENTS

The ALAULM XL-13 Piece Patio Furniture Set is delivered in multiple boxes. Please verify all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 4 x Armrest Sofas
- 6 x Armless Sofas
- 2 x Coffee Tables
- 1 x 43-inch Propane Fire Pit Table
- 10 x Cushions (Grey)
- Assembly Hardware and Tools

- Instruction Manual

3. SETUP AND ASSEMBLY

Assembly is required for this furniture set. It is recommended to have at least two people for assembly. The set may arrive in up to 8 separate boxes, which may be delivered at different times.

3.1. Unpacking and Preparation

1. Carefully unpack all boxes and lay out components on a soft, clean surface to prevent scratches.
2. Identify all parts against the provided parts list in the manual.
3. Ensure all hardware (bolts, washers, nuts) is present. Extra hardware is typically included.

3.2. Furniture Assembly

Follow the step-by-step instructions provided in the included assembly manual for each furniture piece. General steps include:

1. Attach legs to sofa frames and coffee tables.
2. Connect sofa sections using the provided connectors to create desired configurations.
3. Place cushions on the assembled sofa frames. The cushions are 4 inches thick and the backrests are 29.4 inches high.

3.3. Fire Pit Table Assembly

1. Assemble the fire pit table base according to the instructions.
2. Install the stainless steel burner and connect the gas hose.
3. Place the lava rocks or fire glass (if included) around the burner.
4. Install the tempered glass wind guard securely around the burner area.
5. Insert one AAA battery into the push-button spark ignition system.
6. Connect a standard 20 lb propane tank (not included) to the gas hose. Ensure all connections are tight and check for leaks using a soapy water solution.

Figure 2: 43-inch Gas Fire Pit Table Details. This image highlights the flame adjustment knob, the durable stainless steel burner, and the protective dust cover for the fire pit.

4. OPERATING THE PROPANE FIRE PIT

The fire pit is designed for ease of use with a push-button spark ignition system and a flame adjustment knob.

4.1. Lighting Instructions

1. Ensure the propane tank valve is fully open.
2. Turn the flame adjustment knob to the 'LOW' position.
3. Press and hold the ignition button. While holding, slowly turn the flame adjustment knob to 'HIGH' until the burner ignites.
4. Once ignited, continue to hold the ignition button for 10-15 seconds to allow the thermocouple to heat up. Release the button.
5. Adjust the flame height using the flame adjustment knob to your desired level. The fire pit has a heat output of 55,000 BTU.

4.2. Shutting Down

1. Turn the flame adjustment knob to the 'OFF' position.
2. Close the valve on the propane tank.
3. Allow the fire pit and lava rocks/fire glass to cool completely before covering or storing.

5. MAINTENANCE AND CARE

Regular maintenance ensures the longevity and appearance of your ALAULM patio furniture set.

- **Cleaning Frames:** Wipe the steel and rattan frames with a damp cloth. For stubborn dirt, use a mild soap solution and rinse thoroughly. Dry with a clean, dry cloth.
- **Cushion Care:** The cushions are made with waterproof fabric. For spills, wipe immediately with a damp cloth. For deeper cleaning, remove covers (if applicable) and hand wash with mild soap, then air dry. Do not machine wash or tumble dry.
- **Fire Pit Care:** After the fire pit has cooled, use the provided dust cover to protect it from elements when not in use. Periodically inspect the burner and gas connections for any signs of wear or damage.
- **Storage:** During prolonged periods of non-use or harsh weather, it is recommended to store cushions indoors and cover the furniture set with a weather-resistant cover.

PRODUCT DETAILS

Figure 3: Cushion Details. This image illustrates the waterproof nature of the cushion fabric and the comfortable 4-inch thickness of the seat cushions.

6. TROUBLESHOOTING

If you encounter issues with your ALAULM patio furniture set, refer to the following common solutions.

6.1. Fire Pit Not Igniting

- **Check Battery:** Ensure a fresh AAA battery is correctly installed in the ignition module.
- **Gas Supply:** Verify the propane tank valve is fully open and the tank contains sufficient fuel.
- **Gas Connections:** Check all gas connections for tightness. Perform a leak test with soapy water.
- **Ignition Sequence:** Re-attempt the lighting procedure, ensuring you hold the ignition button for 10-15 seconds after ignition.

6.2. Wobbly Furniture Sections

- **Tighten Bolts:** Inspect all assembly bolts and tighten any that are loose.
- **Level Surface:** Ensure the furniture is placed on a flat, level surface.
