

TOZO S2 Mini

TOZO S2 Mini Smart Watch User Manual

Comprehensive instructions for setup, operation, maintenance, and troubleshooting.

1. INTRODUCTION

Thank you for choosing the TOZO S2 Mini Smart Watch. This manual provides essential information to help you set up, operate, and maintain your device. Please read it thoroughly to ensure optimal performance and longevity of your smartwatch.

The TOZO S2 Mini is a versatile fitness tracker with Alexa Built-in, a 1.5-inch HD touchscreen, 5ATM waterproofing, and comprehensive health monitoring features, compatible with both iPhone and Android devices.

2. WHAT'S IN THE BOX

- TOZO S2 Smart Watch
- Magnetic Charging Cable
- Quick Guide & User Manual

3. INITIAL SETUP

3.1 Charging the Smart Watch

Before first use, fully charge your TOZO S2 Mini Smart Watch. The device features a 210mAh battery with low power consumption, offering extended endurance.

1. Connect the magnetic charging cable to the charging points on the back of the watch.
2. Plug the USB end of the cable into a compatible USB power adapter (not included) or a computer's USB port.
3. The watch display will indicate charging status. A full charge typically takes a few hours.

Long battery life and fast Magnetic charge

Figure 1: Magnetic Charging of the TOZO S2 Mini Smart Watch. The image shows the watch connected to its magnetic charging cable, displaying "07:00 AM" and "48%" battery. Text below indicates "30 Days Standby time", "10 Days Battery life", and "2 Hours Charging time".

3.2 App Installation and Device Pairing

To unlock the full potential of your TOZO S2 Mini, download and install the "TOZO Fit" app on your smartphone.

1. Search for "TOZO Fit" in the App Store (for iOS) or Google Play Store (for Android).
2. Download and install the app.
3. Open the TOZO Fit app and follow the on-screen instructions to create an account or log in.
4. Ensure Bluetooth is enabled on your smartphone.
5. In the app, select "Add Device" and choose your TOZO S2 Mini from the list of available devices. You may need to confirm pairing on both your phone and the watch.

Figure 2: The TOZO Watch app interface, displaying various health and exercise tracking screens on multiple smartphone mockups, with a scenic outdoor background.

3.3 Adjusting the Watch Strap

The TOZO S2 Mini comes with a comfortable strap. If you have a metal strap, you may need to adjust its length for a proper fit. The process involves removing or adding links using the provided auxiliary tool.

Your browser does not support the video tag.

Video 1: TOZO S5 Stainless Steel Band Disassembly and Assembly Guide. This video demonstrates how to adjust the length of a metal watch strap by removing or adding links using a specialized tool.

Your browser does not support the video tag.

Video 2: TOZO S5 Smart Watch Replacement Band Guide. This video illustrates the process of replacing the watch band, showing how to detach and attach different strap types.

4. OPERATING YOUR SMART WATCH

4.1 Basic Navigation

The TOZO S2 Mini features a full-screen touch interface and a side button for navigation.

- **Swipe Left/Right:** Navigate through various functions like activity tracking, sleep monitor, and exercise modes.
- **Swipe Up/Down:** Access quick settings or notifications.
- **Press Side Button:** Return to the home screen or access the main menu.

4.2 Customizing Watch Faces

Personalize your smartwatch with multiple watch faces available through the TOZO Fit app.

1. Open the TOZO Fit app on your smartphone.
2. Navigate to the "Dial Center" or "Watch Face" section.
3. Browse and select your preferred watch face.
4. Tap "Sync Dial" to transfer the selected watch face to your TOZO S2 Mini.

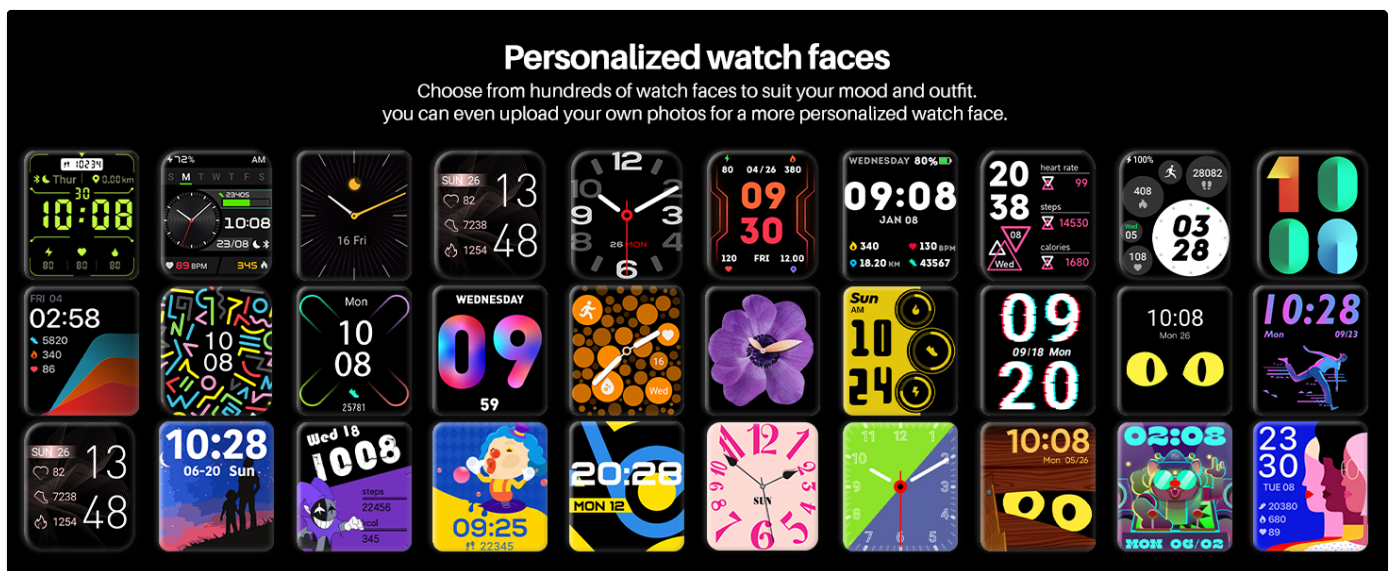

Figure 3: A selection of personalized watch faces for the TOZO S2 Mini Smart Watch, showcasing different styles and data displays.

4.3 Alexa Built-in

The TOZO S2 Mini integrates Amazon Alexa, allowing voice commands for various tasks.

- Ensure your watch is connected to your phone via Bluetooth and the Alexa feature is enabled in the TOZO Fit app.
- Speak to your watch via the built-in microphone to ask questions, set alarms, play music, or control smart home devices.

Powerful Amazon Alexa voice assistant

*Alexa,
how is the weather today?*

*Alexa, turn on
the lights.*

Alexa, start outdoor run.

Figure 4: A user interacting with the TOZO S2 Mini Smart Watch, demonstrating the Alexa Built-in feature with voice commands like "Alexa, how is the weather today?" and "Alexa, turn on the lights."

4.4 Smart Notifications

Receive notifications directly on your wrist for incoming calls, text messages, and app alerts.

- Enable desired app notifications within the TOZO Fit app settings.
- The watch will vibrate to alert you of new notifications.

Smart notifications

Get an intelligent little pal to remind you of the incoming calls, text messages, and most of the app's notifications.

Figure 5: The TOZO S2 Mini Smart Watch displaying a notification, surrounded by icons of popular messaging and social media applications, indicating its smart notification capabilities.

4.5 Music Control

Control your smartphone's music player directly from your watch.

- Ensure your watch is connected to your phone via Bluetooth.
- Access the music control feature on your watch to play, pause, skip tracks, and adjust volume.

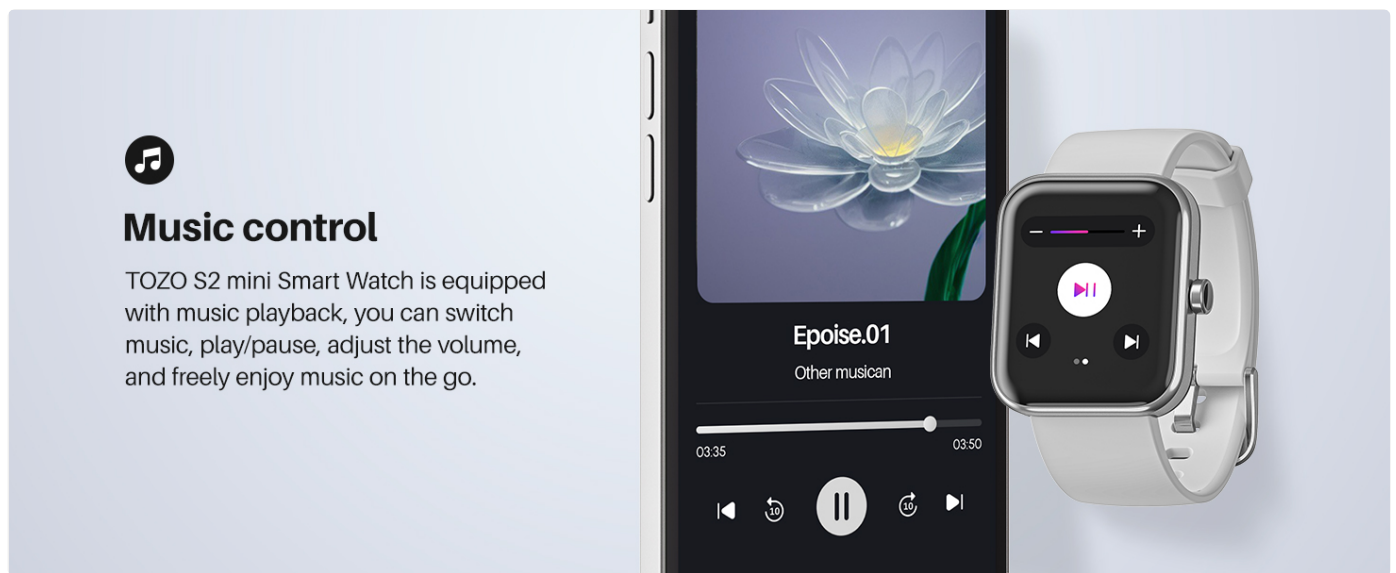

Figure 6: The TOZO S2 Mini Smart Watch displaying music control options, with a smartphone in the background showing a music player interface, illustrating seamless music management.

5. KEY FEATURES

5.1 Sleep & Activity Tracking

The smartwatch provides detailed analysis of your sleep quality and tracks daily activity.

- Continuously records sleep patterns, including deep sleep, light sleep, and awake time.
- Automatically records daily steps, distance, calories burned, and active minutes.

Figure 7: A person sleeping with the TOZO S2 Mini Smart Watch on their wrist, while a smartphone displays detailed sleep quality monitoring data, including sleep stages and scores.

5.2 Heart Rate Monitoring

Equipped with an advanced biological optical sensor for continuous 24-hour heart rate monitoring.

- Provides elevated heart rate warnings during exercise mode.
- Data is accessible via the watch and the TOZO Fit app.

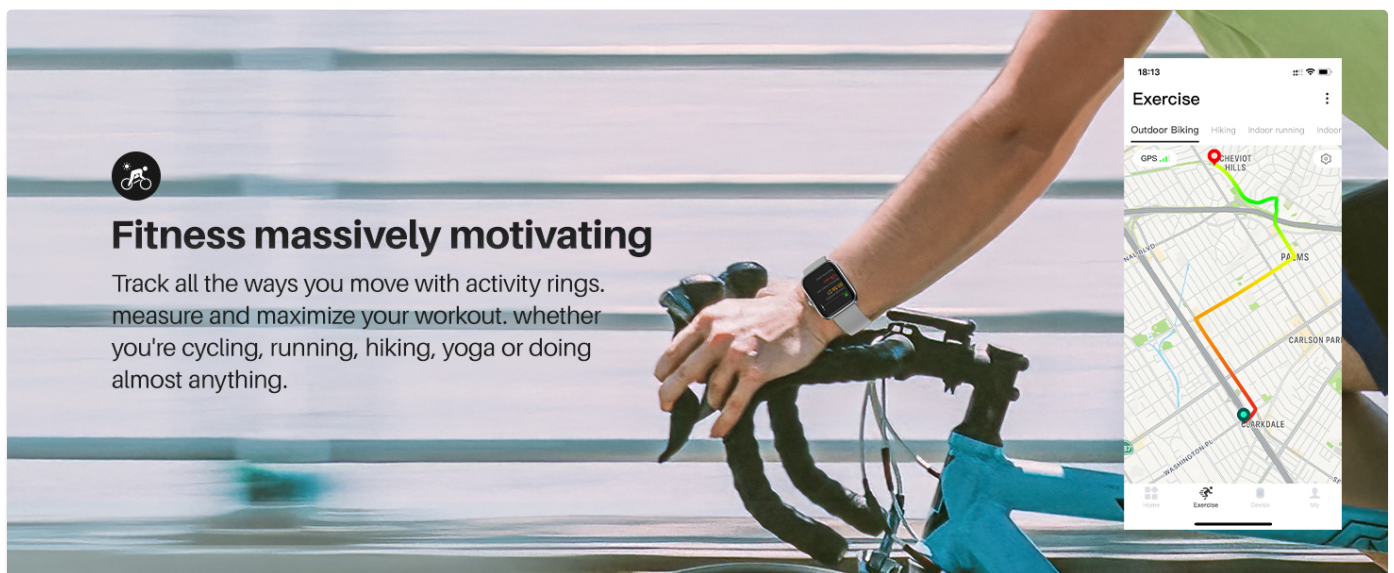

Figure 8: The TOZO S2 Mini Smart Watch displaying real-time heart rate data (128 bpm), with a smartphone in the background showing a graph of 24-hour heart rate monitoring.

5.3 Blood Oxygen Level Measurement

Measure your blood-oxygen saturation to understand your physical state, especially during intense activities or when feeling unwell.

Figure 9: A user wearing the TOZO S2 Mini Smart Watch, which displays a 100% blood oxygen level, while a smartphone shows detailed information about blood oxygen measurement.

5.4 5ATM Water Resistance

The TOZO S2 Mini is designed with a 5ATM waterproof rating (50m water resistance), making it suitable for daily wear, including showering and swimming.

5 ATM Water-resistance & swim-suitable

Sweat and Water proof in your normal daily.
Water resistant up to 50m

Figure 10: The TOZO S2 Mini Smart Watch partially submerged in water, with bubbles around it, illustrating its 5ATM water-resistance and swim-suitable design.

5.5 Sports Modes

The watch supports over 20 sports modes to track your workouts effectively.

- Connect to your phone's GPS to track sports routes for outdoor activities.
- Records real-time metrics like heart rate zones, stride length, total steps, calories burned, and miles walked.

Figure 11: A person running outdoors with the TOZO S2 Mini Smart Watch, while an overlay shows icons representing 20 different sports modes available on the watch.

6. MAINTENANCE AND CARE

- Regularly clean your watch and strap with a soft, dry cloth.
- Avoid exposing the watch to extreme temperatures or harsh chemicals.
- While 5ATM water-resistant, avoid prolonged submersion in hot water or steam.
- Ensure the charging contacts are clean and dry before charging to prevent corrosion.

7. TROUBLESHOOTING

- **Watch not turning on:** Ensure the watch is fully charged.
- **Cannot pair with phone:**
 - Ensure Bluetooth is enabled on your phone.

- Make sure the watch is within range of your phone.
- Restart both your phone and the watch.
- Check if the TOZO Fit app has necessary permissions.
- **Inaccurate heart rate/sleep data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose.
- **Notifications not received:** Check app notification settings on both your phone and within the TOZO Fit app. Ensure the app is running in the background.
