MARVO KG962-B

Marvo KG962 Mechanical Gaming Keyboard User Manual

Model: KG962-B | Brand: MARVO

INTRODUCTION

This manual provides detailed instructions for the setup, operation, maintenance, and troubleshooting of your Marvo KG962 Detachable USB Type C Cable Mechanical Gaming Keyboard. Please read this manual thoroughly before using the product to ensure optimal performance and longevity.

PACKAGE CONTENTS

- Marvo KG962 Mechanical Gaming Keyboard
- Detachable USB Type-C Cable
- User Manual (this document)

SETUP

Follow these steps to set up your Marvo KG962 keyboard:

1. **Connect the USB Cable:** Locate the USB Type-C port on the keyboard. Insert the smaller end of the detachable USB Type-C cable into this port.
2. **Connect to Device:** Insert the standard USB-A end of the cable into an available USB port on your computer (PC, Laptop), gaming console, or other compatible device.
3. **Driver Installation:** The keyboard is plug-and-play and typically does not require additional driver installation. Your operating system should automatically detect and configure the device.
4. **Verify Connection:** Once connected, the keyboard's RGB backlighting should illuminate, indicating a successful connection.

OPERATING INSTRUCTIONS

Basic Keyboard Functions

The Marvo KG962 is a full-sized 104-key mechanical keyboard designed for gaming and general use. It features durable Blue mechanical switches, known for their tactile bump and audible click, providing satisfying feedback with each keystroke.

Figure 2: Angled view of the Marvo KG962 keyboard, highlighting the keycap profile and RGB lighting effects.

RGB Backlighting Control

The keyboard features customizable RGB backlighting. Specific key combinations (often involving the 'Fn' key) are used to cycle through lighting modes, adjust brightness, and change color patterns. Refer to the quick guide or on-screen prompts for detailed lighting controls.

Mechanical Switches

The Marvo KG962 is equipped with Blue mechanical switches. These switches are characterized by a distinct tactile bump and an audible click sound when actuated, providing clear feedback for typing and gaming. The keycaps are designed to be removable, allowing for easy cleaning or customization.

MAINTENANCE

Proper maintenance ensures the longevity and performance of your keyboard:

- **Cleaning:** Use a soft, dry cloth to wipe down the keyboard surface. For dust and debris between keys, use compressed air. Avoid using liquid cleaners directly on the keyboard.
- **Keycap Removal:** If necessary, keycaps can be carefully removed for deeper cleaning using a keycap puller (not included). Be gentle to avoid damaging the switches.
- **Cable Care:** Handle the detachable USB Type-C cable with care. Avoid sharp bends or excessive pulling to prevent damage.
- **Storage:** When not in use, store the keyboard in a clean, dry environment away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Keyboard not responding	Loose cable connection, incorrect USB port, driver issue.	Ensure the USB Type-C cable is securely connected to both the keyboard and the computer. Try a different USB port on your device. Restart your computer. Check Device Manager (Windows) or System Information (macOS) to see if the keyboard is recognized.

Problem	Possible Cause	Solution
Keys not registering	Dust/debris under keycap, software conflict.	Use compressed air to clear debris around the affected key. Carefully remove the keycap and clean the switch area. Ensure no background applications are interfering with keyboard input.
Backlighting not working or inconsistent	Lighting settings, power issue.	Check keyboard lighting control key combinations (e.g., Fn + specific keys) to ensure backlighting is enabled and brightness is up. Ensure the keyboard is receiving sufficient power from the USB port.

SPECIFICATIONS

Feature	Detail
Product Dimensions	4.53 x 2.69 x 1.59 inches
Item Weight	1.58 pounds
Manufacturer	Marvo
ASIN	B09V7TNFLT
Item Model Number	KG962-B
Date First Available	March 30, 2022
Brand	MARVO
Compatible Devices	PC, Laptop, Smartphone, Tablet, Gaming Console
Connectivity Technology	USB
Keyboard Description	Gaming
Special Feature	Ergonomic
Color	Blue
Number of Keys	104
Style	Modern
Included Components	USB Cable
Power Source	USB Powered
