MAINTENANCE

- **Cleaning:** Use a soft, dry cloth to clean the controller. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the controller in a cool, dry place away from direct sunlight and extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the controller frequently. Charge it regularly, even if not in constant use.

TROUBLESHOOTING

- **Controller not powering on:** Ensure the controller is fully charged. Connect it to a power source and try again.
- **Unable to pair via Bluetooth:**
 - Ensure the controller is in pairing mode (usually indicated by a blinking light).
 - Turn off and on your device's Bluetooth.
 - Restart both the controller and your mobile device.

- Ensure the controller is within the effective Bluetooth range (typically 10 meters).
- **Unresponsive controls:**
 - Check if the controller is properly connected via Bluetooth.
 - Ensure the controller has sufficient battery charge.
 - Some games may require specific controller mapping or may not fully support external controllers. Check game settings.
- **Device not fitting in clip:** Verify your device's thickness is within the supported range of 6-11mm.
