

Pro6

Generic Pro 6 Bluetooth Earbuds User Manual

Model: Pro 6

1. INTRODUCTION

The Generic Pro 6 Wireless Headset offers a high-quality audio experience with advanced features. This manual provides detailed instructions for setup, operation, and maintenance to ensure optimal performance and longevity of your device.

Key features include:

- Bluetooth 5.1 connectivity for stable connections.
- Automatic pairing for ease of use.
- Smart touch controls for managing audio and calls.
- Active Noise Cancellation (CVC 8.0) for clear audio in noisy environments.
- Wireless fast charging capability.
- Ergonomic design for comfortable wear.

2. PRODUCT OVERVIEW

The Pro 6 earbuds are designed for comfort and functionality. They feature a compact charging case and individual earbuds with touch-sensitive surfaces.

3. SETUP

3.1. Initial Charging

Before first use, ensure the earbuds are fully charged. Remove the plastic film covers from the charging points on the earbuds, then place them into the charging case. Connect the charging case to a power source using a compatible cable (not specified if included, assume standard USB-C or Micro-USB).

- Charging time: Approximately 1 hour for a full charge.

- The charging case supports wireless charging.

3.2. Pairing with a Device

The Pro 6 earbuds feature one-step pairing for convenience.

1. Ensure Bluetooth is enabled on your smartphone or other device.
2. Open the lid of the earbud charging case. The earbuds will automatically enter pairing mode.
3. On your device, search for Bluetooth devices and select "Pro 6" from the list.
4. Once connected, the earbuds are ready for use.

Note: The earbuds will not disconnect or power off automatically when placed in the charging case if the case itself has no power.

4. OPERATING INSTRUCTIONS

The Pro 6 earbuds utilize smart touch controls for various functions.

4.1. Basic Functions

- **Power On:** Open the charging case.
- **Power Off:** Place earbuds back into the charging case and close the lid.
- **Play/Pause:** Single tap on either earbud.
- **Next Song:** Double tap on the right earbud.
- **Previous Song:** Double tap on the left earbud.
- **Volume Up:** Triple tap on the right earbud.
- **Volume Down:** Triple tap on the left earbud.

4.2. Call Management

- **Answer Call:** Single tap on either earbud.
- **End Call:** Single tap on either earbud during a call.
- **Reject Call:** Press and hold either earbud for 2 seconds.

4.3. Single Earbud Use

The Pro 6 earbuds support independent use. You can use either the left or right earbud individually. Simply take one earbud out of the case, and it will connect to your device. The other earbud can remain in the case or be used by another person.

5. MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Pro 6 earbuds.

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Avoid using abrasive materials or harsh chemicals.
- **Charging Contacts:** Ensure the charging contacts on both the earbuds and inside the case are clean and free of debris to maintain proper charging.
- **Storage:** When not in use, store the earbuds in their charging case to protect them from dust and damage.
- **Avoid Moisture:** Do not expose the earbuds or charging case to excessive moisture or liquids.

6. TROUBLESHOOTING

If you encounter issues with your Pro 6 earbuds, refer to the following common solutions:

Problem	Solution
Earbuds not pairing.	<ul style="list-style-type: none">• Ensure earbuds are charged.• Make sure Bluetooth is enabled on your device.• Forget "Pro 6" from your device's Bluetooth list and try pairing again.• Place earbuds back in the case, close the lid, wait a few seconds, then open to re-initiate pairing mode.
No sound from one earbud.	<ul style="list-style-type: none">• Ensure both earbuds are charged.• Try resetting the earbuds (refer to manufacturer's specific reset instructions if available, otherwise re-pair).• Clean the charging contacts of both earbuds and the case.
Earbuds not charging.	<ul style="list-style-type: none">• Verify the charging cable and power adapter are working.• Ensure the plastic film covers have been removed from the earbud charging points.• Clean the charging contacts on the earbuds and inside the case.
Poor sound quality.	<ul style="list-style-type: none">• Ensure earbuds are properly seated in your ears.• Check for obstructions in the earbud speaker mesh.• Move closer to your connected device to avoid interference.
