- SOUNDFORM Immerse Noise Cancelling Earbuds
- Wireless Charging Case
- 3 Pairs of Silicone Ear Tips (S/M/L)
- 3 Pairs of Wing Tips (S/M/L)
- USB-C Charging Cable
- User Manual

PRODUCT OVERVIEW

The Belkin SoundForm Immerse Noise Cancelling Earbuds in their charging case.

PREMIUM COMPONENTS

An exploded view illustrating the premium components of the SoundForm Immerse earbud, including 12mm dynamic drivers, 3 microphones, and a mechanical ANC button.

Key Features:

- **Hybrid Active Noise Cancelling (ANC):** Three microphones per earbud (two outer, one inner) actively cancel ambient noise for clear audio.
- **Hear-Thru Mode:** Allows you to selectively let in ambient sounds for situational awareness.
- **Bluetooth Multipoint Technology:** Connect and seamlessly switch between two devices simultaneously (e.g., phone, tablet, laptop).
- **Wireless Charging Case:** Conveniently charge your earbuds on any Qi-capable charging pad.
- **Apple Find My Network Compatibility:** Locate your charging case privately and securely using the Apple Find My app.
- **Belkin Ping My Earbuds Feature:** Locate individual earbuds within Bluetooth range.
- **IPX5 Sweat and Water Resistance:** Designed to withstand light rain and challenging workouts.
- **Long Battery Life:** Up to 7 hours of playtime per charge, with an additional 24 hours provided by the charging case, totaling 31 hours.
- **Google Fast Pair:** Quick and easy connection to compatible Android devices.
- **SoundForm App:** Customize EQ settings and control noise cancellation modes for a personalized

listening experience.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge your earbuds and charging case. The charging case supports both USB-C cable charging and Qi wireless charging.

- **USB-C Charging:** Connect the provided USB-C cable to the charging port on the back of the case and to a power source.
- **Wireless Charging:** Place the charging case on a Qi-compatible wireless charging pad.

LED Indicators:

- **Case Battery Level:** The LED indicator on the front of the case will show battery status: Red (very low), Yellow (approx. 50%), White (100% charged).
- **Earbud Charging:** While earbuds are in the case, flashing blue lights indicate active charging. Solid blue lights indicate fully charged earbuds.

ALL-DAY BATTERY LIFE

Up to 31 hours of battery life—7 hours of playtime per charge* for the earbuds, plus another 24 hours of battery in the wireless charging case mean you can talk, listen, and stream uninterrupted.

31 hrs Playtime Qi Enabled

The earbuds and case charging wirelessly on a pad, illustrating the 31 hours of total battery life.

2. Bluetooth Pairing

The earbuds automatically enter pairing mode when removed from the charging case.

- **For Android Devices (Google Fast Pair):** If your Android device supports Google Fast Pair, a pop-up notification will appear. Tap to connect.
- **For Other Devices:** Open your device's Bluetooth settings and select "SF Immerse" from the list of available devices.

3. SoundForm App Installation

Download the Belkin SoundForm app from your device's app store to unlock custom EQ settings, noise control modes, and other personalized features.

OPERATING THE EARBUDS

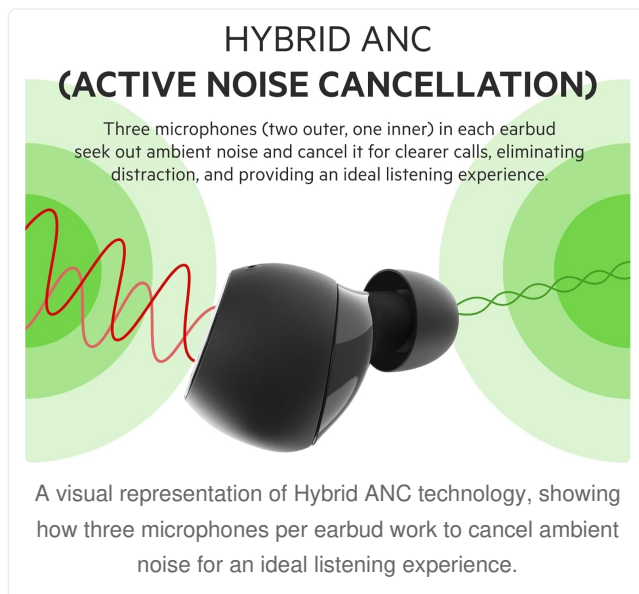

Touch Controls

Each earbud features touch-sensitive controls for various functions:

Action	Left Earbud	Right Earbud
Volume Up		1x Tap
Volume Down	1x Tap	
Play/Pause	2x Tap (either earbud)	
Next Track		3x Tap
Previous Track	3x Tap	
ANC/Hear-Thru Toggle	1x Tap (either earbud)	
Answer/End Call	2x Tap (either earbud)	
Ignore Call	Hold for 2 seconds (either earbud)	
Activate Voice Assistant	Hold for 2 seconds (either earbud)	

Active Noise Cancelling (ANC) and Hear-Thru Modes

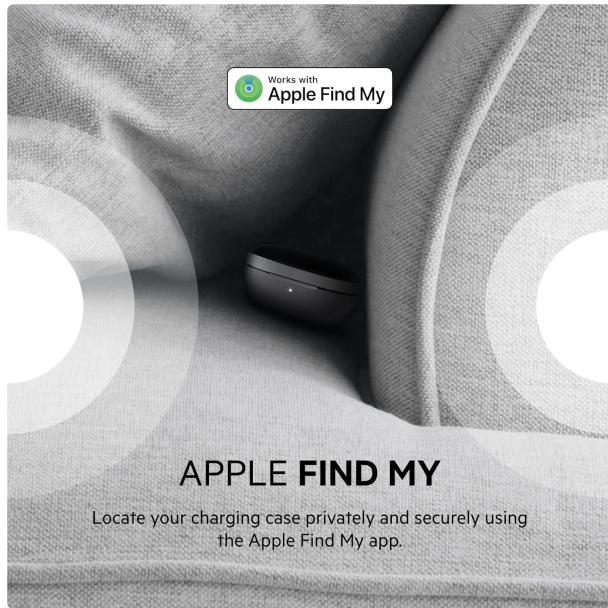

Toggle between ANC, Hear-Thru, and normal mode with a single tap on either earbud. The SoundForm app allows for fine-tuning of these modes.

Apple Find My Integration

The charging case is compatible with the Apple Find My network. Use the Find My app on your iOS device to

locate your case if it's lost. The Belkin Ping My Earbuds feature can help locate individual earbuds within Bluetooth range.

The charging case is shown partially hidden in a couch, with the Apple Find My logo indicating its compatibility for easy location.

Multipoint Technology

Seamlessly switch audio between two paired Bluetooth devices without needing to disconnect and reconnect. For example, you can listen to music on your laptop and instantly answer a call on your phone.

FIT AND COMFORT

The SoundForm Immerse earbuds come with three sizes of silicone ear tips (S/M/L) and wing tips (S/M/L) to ensure a secure and comfortable fit for various ear shapes. Experiment with different sizes to find the best seal for optimal sound quality and noise isolation.

MAINTENANCE

To ensure longevity and optimal performance of your earbuds:

- Regularly clean the ear tips and charging contacts with a soft, dry cloth.
- Avoid exposing the earbuds or case to extreme temperatures or direct sunlight.
- While IPX5-rated, avoid submerging the earbuds in water. Dry them thoroughly if they get wet.

The earbuds are shown with water droplets, highlighting their IPX5 sweat and water resistance, making them suitable for workouts and light rain.

TROUBLESHOOTING

- **Earbuds not charging:** Ensure earbuds are properly seated in the charging case and charging contacts are clean. Verify the charging case itself is charged.
- **Only one earbud working:** Try resetting the earbuds by placing them in the case, closing it for a few seconds, then reopening. Re-pair with your device.
- **Pairing issues:** Ensure Bluetooth is enabled on your device and the earbuds are in pairing mode. Forget the device in your Bluetooth settings and try pairing again.
- **Poor sound quality:** Check ear tip fit for a proper seal. Adjust EQ settings in the SoundForm app. Ensure earbuds are within Bluetooth range of your device.
- **App not connecting to earbuds:** Ensure the earbuds are connected via Bluetooth to your phone and the SoundForm app is updated to the latest version.
