

Fully Aleris

Fully Aleris LED Desk Lamp User Manual

Model: Aleris

1. INTRODUCTION

The Fully Aleris LED Desk Lamp is designed to provide versatile and adjustable lighting for various situations. Its modern design features a minimal footprint, a tilting and rotating lamp head, and intuitive touch controls for brightness and color temperature adjustments. The lamp is constructed with a premium aluminum alloy casing for durability and efficient heat dissipation, ensuring it remains cool to the touch. A weighted base with protective foam ensures stability on your desk surface.

2. WHAT'S IN THE BOX

- Fully Aleris LED Desk Lamp
- Power Adapter
- Lamp Protective Foam (pre-installed on base)

3. SETUP INSTRUCTIONS

1. **Unpack the Lamp:** Carefully remove the Aleris LED Desk Lamp and its components from the packaging. Ensure all protective materials are removed.
2. **Position the Lamp:** Place the lamp on a stable, flat surface. The weighted base with protective foam will help keep it securely in place.
3. **Connect Power:** Insert the power adapter cable into the power port located at the base of the lamp. Plug the other

end of the power adapter into a standard electrical outlet.

4. OPERATING INSTRUCTIONS

4.1. Power and Brightness Control

The Aleris lamp features touch controls located on its base. To turn the lamp on or off, gently touch the power button. To adjust the brightness, use the dedicated brightness control button. Repeated touches will cycle through different brightness levels.

4.2. Color Temperature Adjustment

The lamp offers adjustable color temperature to suit your preference. Use the color temperature control button to switch between warm and cool light settings. This allows you to select the ideal light quality for various tasks or times of day.

4.3. Lamp Head Adjustment

The lamp head is designed for flexible positioning:

- **Tilting:** The lamp head can be tilted up and down to direct light precisely where needed.
- **Rotation:** The lamp head can also be rotated side-to-side, providing further flexibility in light direction.

Lamp Type	Desk Lamp
Product Dimensions	14.25"D x 4.7"W x 15"H
Base Material	Aluminum Alloy Steel
Shade Material	Aluminum
Light Source Type	LED
Wattage	8 Watts
Brightness	600 Lumen
Light Color	Cool white, Warm white
Control Method	Touch
Special Feature	Adjustable brightness, color temperature, and directionality
Item Weight	2.94 pounds

7. MAINTENANCE

- **Cleaning:** To clean the lamp, ensure it is unplugged from the power outlet. Use a soft, dry cloth to wipe down the surfaces. Avoid using abrasive cleaners, solvents, or sprays that could damage the finish or electronic components.
- **LED Care:** The LED light source is integrated and designed for long-term use. It does not require replacement.
- **Handling:** Handle the lamp with care, especially when adjusting the head, to prevent damage to the moving parts.

8. TROUBLESHOOTING

- **Lamp Does Not Turn On:**
 - Ensure the power adapter is securely plugged into both the lamp and a working electrical outlet.
 - Check if the outlet is receiving power by plugging in another device.
- **Light Flickers or is Dim:**
 - Verify the power connection is stable.
 - Adjust the brightness settings using the touch controls.
- **Touch Controls Are Unresponsive:**
 - Ensure your fingers are clean and dry when operating the touch controls.
 - Unplug the lamp from the power outlet for 30 seconds, then plug it back in to reset the controls.

9. WARRANTY AND SUPPORT

The Fully Aleris LED Desk Lamp comes with a manufacturer's warranty. Please refer to the warranty card included with your purchase for specific terms and conditions. For technical support, replacement parts, or further assistance, please contact Fully customer service through their official website or the contact information provided in your product documentation.

ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
