Instruction Manual

FZYM Protective Case for TCL 30+ T676J T676K

PRODUCT OVERVIEW

This manual provides essential information for the installation, use, and maintenance of your FZYM Protective Case for TCL 30+ T676J T676K.

The FZYM protective case is designed to offer robust protection for your TCL 30+ T676J T676K smartphone. Crafted from high-quality silicone TPU, it provides a soft, slim, and flexible barrier against daily wear and tear, including scratches, impacts, and accidental drops. Its precise cutouts ensure full access to all phone functions without needing to remove the case.

KEY FEATURES

- **Perfect Fit:** Specifically designed for TCL 30+ T676J T676K (6.7"), ensuring easy installation and removal.
- **High-Quality Material:** Made from soft, flexible, and lightweight TPU silicone for comfortable handling and a non-slip grip.
- **Comprehensive Protection:** Features shock absorption technology, scratch resistance, abrasion resistance, and protection against impacts, fingerprints, dust, and drops.
- **Precise Cutouts:** Allows full access to all buttons, cameras, speakers, and connectors without

obstruction.

- **Raised Edges:** Includes a 0.8mm raised screen edge and higher camera design to protect the screen and camera lenses from scratches during daily use.

SETUP AND INSTALLATION

1. **Prepare Your Device:** Ensure your TCL 30+ T676J T676K phone is clean and free of dust or debris.
2. **Align the Case:** Gently align the top edge of your phone with the top edge of the case, ensuring the camera cutout matches.
3. **Insert the Phone:** Carefully push your phone into the case, starting from the top, then working your way down to ensure all corners are securely fitted. The flexible TPU material allows for easy insertion.
4. **Check Fit:** Once inserted, gently press around the edges of the case to ensure it is snugly fitted around your phone, with all buttons and ports aligned with the case's cutouts.

OPERATING INSTRUCTIONS

Once installed, the FZYM protective case operates passively by providing continuous protection to your device. No specific operational steps are required beyond normal phone usage.

- **Button Access:** The case features precise button covers that maintain the tactile feel and responsiveness of your phone's power and volume buttons.
- **Port Access:** All charging ports, headphone jacks (if applicable), and speaker grilles are easily accessible through the case's accurate cutouts.
- **Camera Protection:** The raised camera bezel protects the camera lenses from direct contact with surfaces when the phone is laid flat.
- **Screen Protection:** The 0.8mm raised screen edge helps prevent the screen from touching surfaces when placed face down.

SIMPLE DESIGN

PRECISE CUT-OUT

Exquisite & Precise Camera Cutout

MAINTENANCE

To ensure the longevity and appearance of your FZYM protective case, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust, dirt, and fingerprints. For stubborn stains, a mild soap solution can be used, followed by wiping with a clean, dry cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the TPU material and its finish.
- **Storage:** If removing the case for extended periods, store it in a cool, dry place away from direct sunlight to prevent material degradation.

TROUBLESHOOTING

Most issues with the protective case are minor and can be resolved easily.

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Case does not fit properly.	Incorrect phone model or improper installation.	Ensure your phone is TCL 30+ T676J T676K (6.7"). Re-install the case, ensuring all corners are securely fitted.
Buttons are stiff or unresponsive.	Case not fully seated or debris under buttons.	Remove the case, clean the phone and case buttons, then re-install firmly.
Case appears dirty or discolored.	Accumulation of dirt, oils, or exposure to staining agents.	Clean the case with a soft, damp cloth and mild soap. Avoid prolonged exposure to direct sunlight or harsh chemicals.
