7.1. Missing or Damaged Pieces

If you discover any missing or damaged pieces upon opening the kit or during assembly, please contact Reobrix customer support. Provide the model number (66010) and a clear description or image of the required parts.

7.2. Difficulty Connecting Blocks

Some blocks may require more force to connect than others. Ensure proper alignment before applying pressure. A small hobby hammer (not included) can sometimes assist with firm connections, but use with caution to avoid damage.
