OPERATING INSTRUCTIONS

General Usage

Once powered on, the stylus is ready for immediate use with your compatible iPad. It offers a precise and smooth writing/drawing experience without lag or breaking points.

- **Palm Rejection:** Rest your hand comfortably on the iPad screen while writing or drawing. The stylus's palm rejection feature prevents unintended marks from your hand.
- **Precision:** The 1.5mm fine tip allows for accurate and detailed input, replacing your finger for finer instructions.
- **Magnetic Adsorption:** The stylus features a magnetic design, allowing it to attach securely to the side of your iPad (if supported by your iPad model) for convenient storage and to prevent loss.

Palm Rejection

MAINTENANCE

Charging

The stylus pen features a long-lasting battery for extended use.

- **Charging Time:** Approximately 60 minutes for a full charge.
- **Continuous Working Time:** Up to 20 hours.

- **Standby Time:** Up to 180 days.
- **Sleep Mode:** The stylus automatically enters "Sleep Mode" after 6 minutes of inactivity to conserve power.
- **Charging Method:** Charge via the USB-C port. This model does not support magnetic wireless charging.

Replacing the Nib

The stylus comes with three spare pen tips for easy replacement.

1. Gently twist the existing nib counter-clockwise to remove it.
2. Align a new nib and twist clockwise until secure. No special tools are required.

Image: A close-up view illustrating the simple process of replacing the stylus nib.

TROUBLESHOOTING

- **Stylus not responding:** Ensure the stylus is charged and powered on (double-tap the cap button). Verify your iPad model is compatible.
- **Inaccurate input/lag:** Check if the nib is securely attached. If the nib is worn, replace it with a spare.
- **Accidental touches from palm:** Ensure palm rejection is enabled in your iPad settings (if applicable for your specific iPadOS version). The stylus is designed to work with palm rejection automatically.
- **Stylus not charging:** Ensure the USB-C cable is properly connected to both the stylus and a power source.
