TOLEAD Toddler Foam Climbing Set Indoor - Instruction Manual

Model: B09VT41SJW

1. PRODUCT OVERVIEW

The TOLEAD Toddler Foam Climbing Set is designed to provide a safe and engaging environment for children to develop motor skills, balance, and coordination. This soft activity playset consists of multiple foam blocks that can be arranged in various configurations for climbing, crawling, and imaginative play.

Key Features:

- **Soft Foam Construction:** Made from friendly foam filler covered with soft, smell-free polyurethane material for safe play.
- **Certified Safety:** Materials are low-emission and toddler-friendly, complying with federal safety CPC standards, formaldehyde-free, and smell-free.
- **Versatile Play:** Multiple block combinations stimulate imagination and encourage physical activity, enhancing control and balance of limbs.
- **Easy Maintenance:** The durable polyurethane material is simple to clean with a mild soap-and-water

solution.

2. SAFETY INFORMATION

Prioritize your child's safety by adhering to the following guidelines:

- **Adult Supervision:** Always ensure an adult supervises children during play to prevent accidents.
- **Footwear:** Children should remove shoes before using the climbing set to prevent damage to the material and ensure better grip.
- **Placement:** Place the climbing set on a flat, stable surface away from stairs, sharp objects, or furniture that could pose a hazard.
- **Inspection:** Regularly inspect the foam blocks for any signs of wear, tear, or damage. Discontinue use if significant damage is found.
- **Material Safety:** The product is made from non-toxic, low-emission materials, ensuring a safe play environment.

3. SETUP AND ASSEMBLY

The TOLEAD Toddler Foam Climbing Set requires no assembly. The blocks arrive fully formed and ready for immediate use. Simply unpack the components and arrange them in your desired configuration.

Arrangement Tips:

- The blocks can be connected using integrated hook-and-loop fasteners (Velcro) on some pieces to maintain stability in certain configurations.
- Experiment with different layouts to create new challenges and play experiences for your child.

4. OPERATING INSTRUCTIONS (How to Use)

This climbing set is designed to encourage physical activity and imaginative play. Children can use the

blocks for various activities:

- **Climbing and Crawling:** Utilize the ramps, steps, and platforms to practice climbing up, crawling through, and sliding down. This helps develop gross motor skills and spatial awareness.
- **Balance Practice:** Walking across the flat surfaces or slight inclines helps improve balance and coordination.
- **Creative Play:** The modular design allows for multiple combinations, encouraging children to build their own structures and engage in imaginative scenarios.

5. MAINTENANCE

Maintaining your TOLEAD Toddler Foam Climbing Set is simple due to its durable and easy-to-clean surface.

- **Cleaning:** Wipe the surfaces with a soft cloth dampened with a mild soap-and-water solution. Avoid harsh chemicals or abrasive cleaners, as these can damage the material.
- **Drying:** Allow the blocks to air dry completely before storage or next use to prevent moisture buildup.
- **Storage:** When not in use, store the blocks in a clean, dry area away from direct sunlight or extreme temperatures to prolong their lifespan. The blocks can be stacked for efficient storage.

6. TROUBLESHOOTING

The TOLEAD Toddler Foam Climbing Set is a simple, durable product with minimal components, so extensive troubleshooting is generally not required. However, consider the following if issues arise:

- **Stability Issues:** If blocks shift during play, ensure they are placed on a flat surface. Utilize the hook-and-loop fasteners (Velcro) where available to secure pieces together.
- **Material Damage:** In the event of tears or punctures, discontinue use to prevent further damage or exposure of the inner foam. Contact customer support for guidance.
- **Odor:** While the product is designed to be smell-free, a faint new product odor may be present upon initial unboxing. This should dissipate quickly in a well-ventilated area.
