Fafeicy P50 LED Flashlight User Manual

Model: Fafeicyqp3xayvfsg2637

1. Introduction

Thank you for choosing the Fafeicy P50 LED Flashlight. This high-brightness, outdoor pocket torch is designed for durability and versatility, featuring a USB rechargeable aluminum alloy body. This manual provides essential information for the safe and effective use of your flashlight.

2. Product Overview

The Fafeicy P50 LED Flashlight is a robust and feature-rich lighting tool. Its key features include:

- **Durable Construction:** Made from aluminum alloy, providing anti-drop and wear-resistant properties for extended service life.
- **Portable Design:** Features a convenient clip design for easy carrying.
- **Adjustable Focus:** Zoom function allows for free adjustment of the light-emitting range and distance.
- **Multiple Light Modes:** Offers 4 gears of light-emitting modes (Strong, Medium, Low, Burst Flash, SOS) adjustable via a single-key switch.
- **High Brightness:** Equipped with P50 large particle lamp beads, delivering 800 lumens of luminous flux with an effective light distance within 200 meters.
- **USB Rechargeable:** Supports direct USB charging, eliminating the need to remove the battery for recharging, promoting energy saving and environmental protection.

Function	Lighting, Night Riding, Emergency, Search, Distress Light
Charging Time	4-5 hours
Battery Life	3H in Strong Light, 5H in Low Light
Luminous Flux	800lm
Service Life	30000H
Water Resistance Level	Not Water Resistant (Life waterproof, do not soak in water)

5. Setup

To begin using your flashlight, you will need to install a 18650 lithium battery (not included).

1. **Open Battery Slot:** Unscrew the bottom cap of the flashlight to access the battery compartment.
2. **Insert Battery:** Insert one 18650 lithium battery into the slot, ensuring the correct polarity (+/-) as indicated inside the compartment.
3. **Close Battery Slot:** Screw the bottom cap back on securely.

6. Operating Instructions

The flashlight is designed for simple and intuitive operation.

1. **Power On/Off:** Press the power switch button located on the side of the flashlight to turn it on. Long press the switch and release it to turn off the flashlight.
2. **Change Light Modes:** While the flashlight is on, single press the switch to cycle through the light-emitting modes: Strong Light → Medium Light → Low Light → Burst Flash → SOS.
3. **Adjust Focus (Zoom):** Gently pull the head of the flashlight outwards or push it inwards to adjust the focus and dimming, changing the beam from a wide floodlight to a narrow spotlight.

7. Charging Instructions

The Fafeicy P50 LED Flashlight supports direct USB charging.

1. **Connect USB Cable:** Plug the smaller end of the provided USB cable into the charging port on the flashlight.
2. **Connect to Power:** Plug the larger end of the USB cable into a standard USB power adapter (e.g., phone charger, computer USB port, power bank).
3. **Charging Indicator:** (If applicable, observe any indicator lights for charging status. This model's description does not specify an indicator, but it's common for rechargeable devices.)
4. **Charging Time:** A full charge typically takes 4-5 hours.

8. Maintenance

Proper maintenance will ensure the longevity and optimal performance of your flashlight.

- **Cleaning:** Wipe the flashlight body with a soft, damp cloth. Do not use abrasive cleaners or solvents.
- **Storage:** Store the flashlight in a cool, dry place when not in use. If storing for extended periods, remove the battery to prevent leakage.
- **Water Resistance:** The flashlight is designed with
