# ROBOTIME Wooden Dollhouse Instruction Manual

Model: RBT-O-WDH01

## 1. INTRODUCTION

Thank you for choosing the ROBOTIME Wooden Dollhouse. This manual provides essential information for the assembly, operation, and maintenance of your dollhouse. Designed for children aged 36 months to 18 years, this dollhouse features three floors, five rooms, a balcony, and 28 pieces of furniture, encouraging imaginative play and skill development.

The dollhouse is constructed from solid wood with polished, rounded edges, ensuring a safe play environment. Please read these instructions carefully before assembly and use.

## 2. SAFETY INFORMATION

To ensure a safe play experience, please observe the following guidelines:

- **Adult Supervision:** Always ensure children are supervised during play, especially younger children.
- **Small Parts:** The dollhouse includes small furniture pieces and accessories that may pose a choking hazard for children under 3 years. Keep these items out of reach of infants.
- **Assembly:** Adult assembly is required. Ensure all parts are securely fastened before allowing children to play.
- **Material Safety:** The dollhouse is made from solid wood with polished edges to prevent injury. Regularly inspect the dollhouse for any signs of wear or damage.
- **Placement:** Place the dollhouse on a stable, flat surface to prevent tipping.

## 4. SETUP AND ASSEMBLY

The ROBOTIME Wooden Dollhouse requires adult assembly. Please follow the detailed, step-by-step instructions provided in the separate assembly manual included in your package. Assembly typically takes a short amount of time.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, flat surface.
2. **Identify Parts:** Refer to the parts list in the assembly manual to identify each component.
3. **Follow Instructions:** Assemble the dollhouse structure by following the numbered steps and diagrams in the assembly manual. Ensure all connections are secure.
4. **Place Furniture:** Once the dollhouse structure is complete, arrange the 28 furniture pieces in the desired rooms.

## 5. OPERATING INSTRUCTIONS

The ROBOTIME Wooden Dollhouse is designed for open-ended imaginative play. There are no electronic components or complex operations. Children can interact with the dollhouse and its furniture in various ways:

- **Furniture Arrangement:** Children can freely combine and arrange the 28 furniture pieces within the

dollhouse's five rooms and balcony.

- **Interactive Features:** Some furniture pieces feature movable parts, such as cabinet doors that open, a usable mirror, and a toilet seat that can be lifted, adding to the realism and play value.
- **Doll Compatibility:** The dollhouse is designed for dolls and figurines up to 3.3 inches in height.

## 6. MAINTENANCE

Proper care will extend the life of your ROBOTIME Wooden Dollhouse:

- **Cleaning:** Wipe surfaces with a soft, slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the wood finish.

- **Drying:** Ensure the dollhouse is completely dry after cleaning to prevent moisture damage.
- **Storage:** Store the dollhouse in a dry environment, away from direct sunlight or extreme temperatures, which can cause warping or fading.
- **Inspection:** Periodically check all connections and parts to ensure they remain secure. Tighten any loose screws as needed.

## 7. TROUBLESHOOTING

If you encounter any issues with your dollhouse, please refer to the following common solutions:

- **Missing Parts:** If any parts are missing upon unboxing, please refer to the contact information in the Warranty and Support section to request replacements.
- **Loose Connections:** If the dollhouse feels unstable, check all assembly points and tighten any loose screws or connectors.
- **Damaged Components:** If any wooden panels or furniture pieces are significantly damaged, discontinue use and contact customer support for guidance.
