Freddo Toys Police UTV 2-Seater Ride-On User Manual

Model: 810086700264

INTRODUCTION

This manual provides essential information for the safe assembly, operation, maintenance, and troubleshooting of your new Freddo Toys Police UTV 2-Seater Ride-On. Please read this manual thoroughly before initial use and retain it for future reference. Ensure all users understand the instructions and safety warnings.

SAFETY INFORMATION

WARNING: To avoid serious injury, adult supervision is required. Never leave children unattended. Always ensure children wear appropriate safety gear, including a helmet, when operating the vehicle.

- Do not operate the vehicle near roads, motor vehicles, steep inclines or steps, swimming pools, or other bodies of water.
- Always wear shoes when operating the vehicle.
- Never allow more than two riders at a time.
- Do not operate the vehicle in unsafe conditions such as snow, rain, loose dirt, mud, sand, or gravel.
- The vehicle is designed for children aged 36 months to 8 years.

PACKAGE CONTENTS

Before assembly, please verify that all components listed below are present and undamaged:

- Freddo Toys Police UTV 2-Seater Ride-On Vehicle
- Charger
- Product Manual (this document)
- Remote Control
- Assembly Hardware (screws, washers, etc. - *implied by "assembly"*)

SETUP AND ASSEMBLY

Follow these steps carefully for initial setup and assembly. Adult assembly is required.

1. **Unpacking:** Carefully remove all components from the packaging. Keep packaging materials away from children.
2. **Wheel Installation:** Attach the four EVA tires to the vehicle axles. Ensure they are securely fastened according to the diagrams in the separate assembly guide (if provided).

Image: Close-up of one of the UTV's large, treaded EVA tires with a red inner rim, indicating its robust design.

3. **Steering Wheel and Dashboard Assembly:** Install the steering wheel and connect any necessary wiring for the dashboard controls.

Image: View of the UTV's dashboard, showing the steering wheel, control panel, and a small storage compartment.

4. **Seat Installation:** Securely attach the two seats into their designated positions.

Image: Interior view highlighting the two black, textured seats with white stitching, designed for two riders.

5. **Initial Charging:** Before first use, fully charge the vehicle's battery for 8-12 hours. Connect the charger to the charging port and plug it into a standard wall outlet. Do not overcharge.
6. **Remote Control Pairing:** Refer to the remote control's specific instructions for pairing it with the vehicle. This typically involves holding certain buttons on the remote while turning on the vehicle.

OPERATING INSTRUCTIONS

Familiarize yourself with the controls and features for a safe and enjoyable ride.

Image: Detailed view of the UTV's control panel, showing buttons for start/stop, speed selection, lights, and media playback.

- **Power On/Off:** Use the "Start/Stop" button on the dashboard to turn the vehicle on or off.
- **Driving:**
 - **Foot Pedal:** Press the foot pedal to accelerate. Release to brake.
 - **Forward/Reverse:** Use the gear selector switch (usually marked F/R) to choose between forward and reverse motion.
 - **Speed Selection:** The vehicle features two speeds (high and low). Select the appropriate speed using the designated switch on the dashboard.
- **Parental Remote Control:** The included remote control allows parents to override child control for safety. It can steer the vehicle, control speed, and stop the vehicle. Ensure the remote is paired before use.
- **Lights and Sounds:** Activate the realistic front and rear police lights and various sound effects using the buttons on the dashboard.
- **Music Player:** The vehicle includes a high-quality music player with Bluetooth connectivity. Pair your device to play music through the vehicle's speakers.
- **Door Operation:** The vehicle features integrated door opening control. Open and close doors manually as needed.

MAINTENANCE

Regular maintenance ensures the longevity and safe operation of your ride-on vehicle.

- **Battery Care:**
 - Charge the battery after each use.
 - If storing for extended periods, charge the battery once a month to maintain its life.
 - Do not store the battery in extreme temperatures.
- **Cleaning:** Wipe the vehicle with a soft, damp cloth. Do not use abrasive cleaners or solvents. Avoid spraying

water directly onto electrical components.

- **Storage:** Store the vehicle indoors in a dry place when not in use. Protect it from direct sunlight and moisture.
- **Inspection:** Periodically check all screws, nuts, and bolts to ensure they are tight. Inspect wheels and tires for wear or damage.

TROUBLESHOOTING

If you encounter issues, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Vehicle does not move.	Battery low or not charged. Loose battery connection. Overload protector activated.	Charge battery fully. Check and secure battery terminals. Turn off vehicle for 15 minutes, then restart.
Vehicle runs slowly.	Battery low. Overloaded vehicle. Operating on rough terrain.	Recharge battery. Reduce weight on vehicle. Operate on smooth, flat surfaces.
Remote control not working.	Remote not paired. Remote batteries low.	Re-pair remote control according to its instructions. Replace remote control batteries.
Lights or sounds not working.	Loose wiring. Component malfunction.	Check visible wiring connections. If issue persists, contact customer support.
