## Bio Bidet Slim One

# Bio Bidet Slim One Electric Bidet Toilet Seat

Model: Slim One

## PRODUCT OVERVIEW

---

Treat yourself to the ultimate bathroom upgrade with the Bio Bidet by Bemis Slim One bidet toilet seat. A soothing blue night light will guide you in the dark. Sit down to a comfortable heated seat with adjustable temperature controls. The slow close lid will add to the tranquility of your retreat. Using the side control panel, choose from a variety of comfortable and effective bidet wash settings. Customize the water temperature, pressure, and nozzle position. Enjoy the heated seat, night light and ambient water temperature. Personalize your wash for women and for men, gentle child bidet wash and a higher-pressure turbo wash, all available settings on this easy-to-use bidet toilet seat. Soothing postpartum care, hemorrhoid treatment, front and back cleansing are all possible with built-in auto retracting, self-cleaning, stainless steel nozzles. All components for installation are provided including the t adapter valve, water hose and bidet connectors. Bidet installation is easy, no plumber needed. Electricity is needed for all features. From bidet sprayers, bidet attachments, bidet seats, or full bidet toilet systems, we have the best bidet option for you. Bio Bidet by Bemis is proud to offer innovative products that are easy to install and built to last.

## Key Features

- **ADJUSTABLE WATER PRESSURE:** Equipped with an adjustable stainless steel nozzle for a personalized front and back wash, ensuring a tailored and comfortable cleaning experience.
- **WARM WATER:** Features adjustable temperature for enhanced comfort whether you prefer cold or warm water spray.
- **LOADED WITH LUXURY:** Includes a heated, slow-close toilet seat, easy-to-use side control panel, and built-in night light.
- **EASY TO INSTALL:** Requires electricity, can be DIY installed without a plumber and includes all necessary parts and instructions for installation.
- **WATER DOES IT BETTER:** Ideal for both women and men, suitable for postpartum use, surgery recovery, and perfect for seniors - ensuring comfort and hygiene for a wide range of needs.

## SETUP

---

### Installation Steps

The Bio Bidet Slim One is designed for easy, DIY installation. No plumber is typically needed. Ensure you have a GFCI outlet near your toilet as electricity is required for all features.

1. **Turn off the water shut-off valve:** Locate the water supply valve behind your toilet and turn it off to stop the water flow.
2. **Remove your existing toilet seat:** Unscrew and remove your current toilet seat from the toilet bowl.
3. **Install the catch plate and slide the bidet seat on:** Secure the provided catch plate to the toilet bowl using the bolts, washers, and bolt guides. Then, slide the bidet seat onto the catch plate until it clicks into place.
4. **Connect the toilet and bidet hoses:** Use the included T-valve to connect the bidet to your toilet's water

supply. Connect the bidet hose to the bidet unit and the T-valve.

5. **Plug the power cord into a GFCI outlet:** Once water connections are secure, plug the bidet's power cord into a grounded GFCI (Ground Fault Circuit Interrupter) electrical outlet.

## Wash Functions

- **Wash (Rear Wash):** Provides a standard posterior cleansing.
- **Bidet (Front Wash):** Offers a gentle anterior cleansing, specifically designed for women.
- **Turbo Wash:** A higher-pressure wash for a more thorough cleansing experience.
- **Pulsation:** Activates a pulsating water stream for a massage-like effect during washing.
- **Child Wash:** A gentle wash setting with reduced pressure, suitable for children.
- **Adjustable Nozzle Position:** Use the arrow buttons to adjust the nozzle's position forward or backward for optimal cleansing.
- **Adjustable Water Pressure:** Use the '+' and '-' buttons to increase or decrease the water spray intensity.

## Temperature Control

- **Heated Seat:** Adjust the seat temperature to your preference (low, medium, high) for maximum comfort, especially in colder environments.
- **Warm Water Spray:** The bidet features a preheated reservoir that automatically refills and reheats, providing

immediate warm water for each wash. Adjust the water temperature to your desired level.

The image features a bidet toilet with a white ceramic body and a stainless steel nozzle. A control panel with various buttons is attached to the side of the toilet. The background is a light-colored, marble-like surface. The text is arranged in a dark blue vertical bar on the left and a white area on the right.

Figure 6: The heated seat offers adjustable warming presets for user comfort.

## Night Light

A soothing blue night light is integrated into the bidet seat, providing gentle illumination to guide you in the dark without needing to turn on bright bathroom lights.

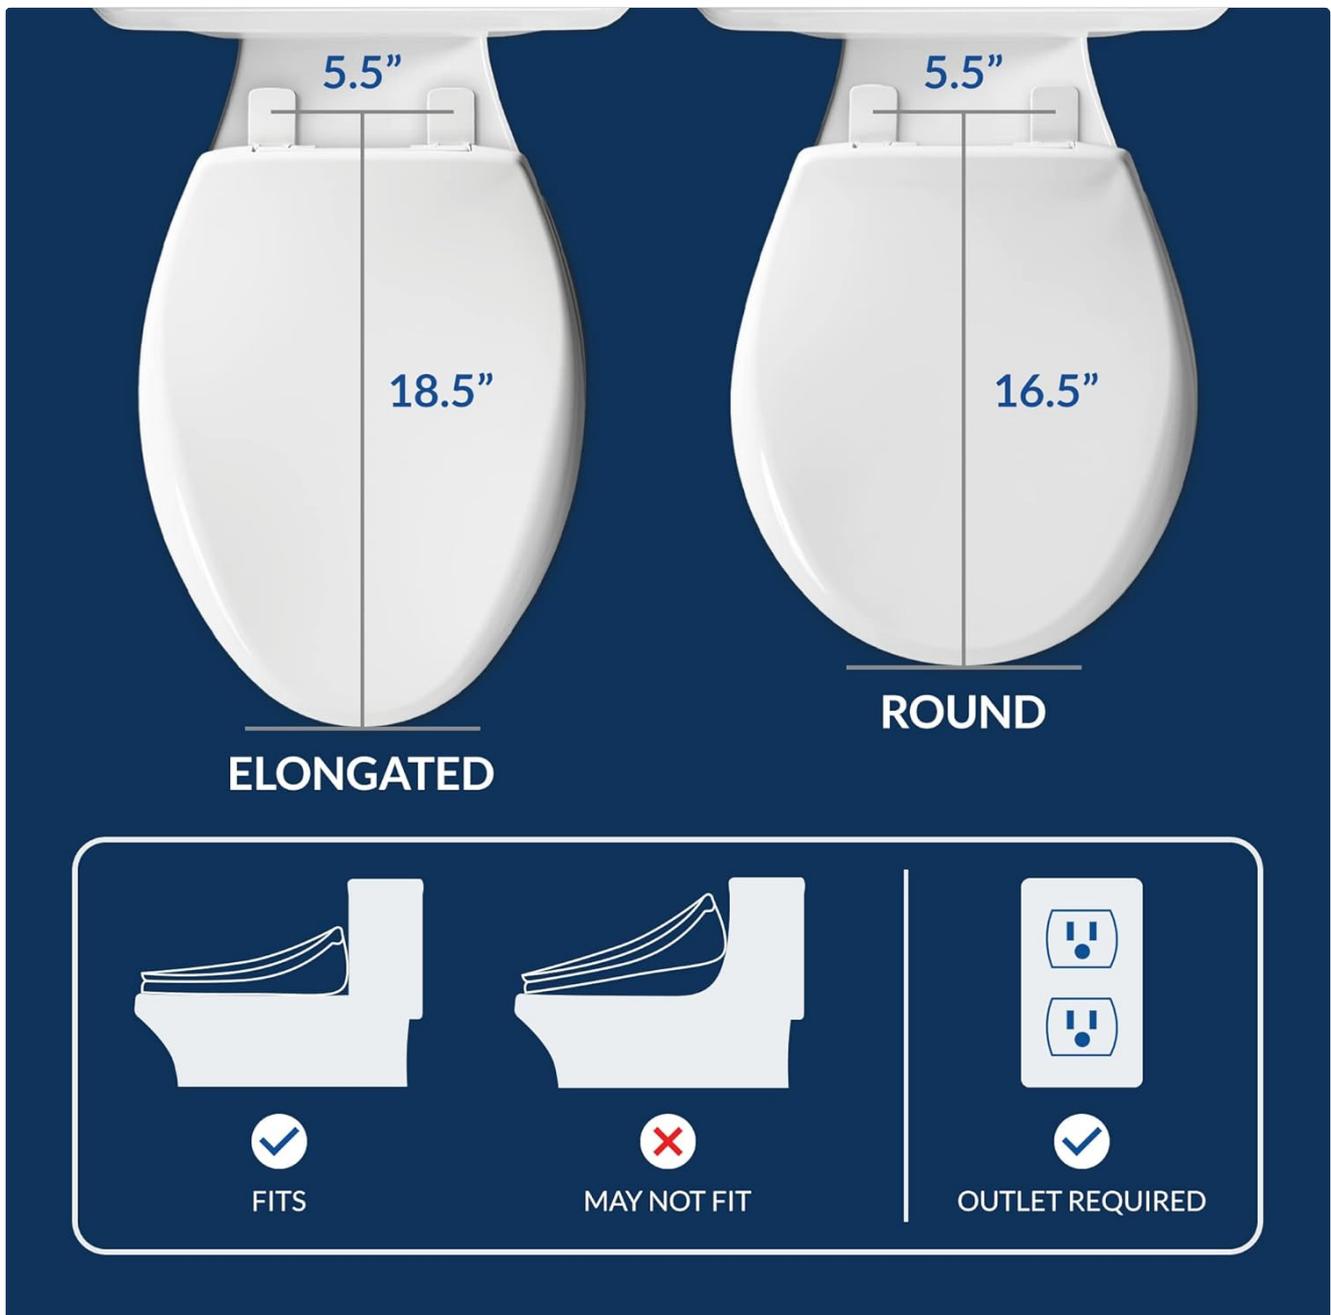

Figure 7: The built-in night light provides subtle illumination for nighttime use.

### Nozzle

The Bio Bidet Slim One features a durable and resilient 3-in-1 stainless steel nozzle, offering rear, front, and turbo wash options from a single, self-retracting unit.

# Installation Guide

1. Turn off the water shut-off valve.
2. Remove your existing toilet seat.
3. Install the catch plate and slide the bidet seat on.
4. Connect the toilet and bidet hoses.
5. Plug the power cord into a GFCI outlet.

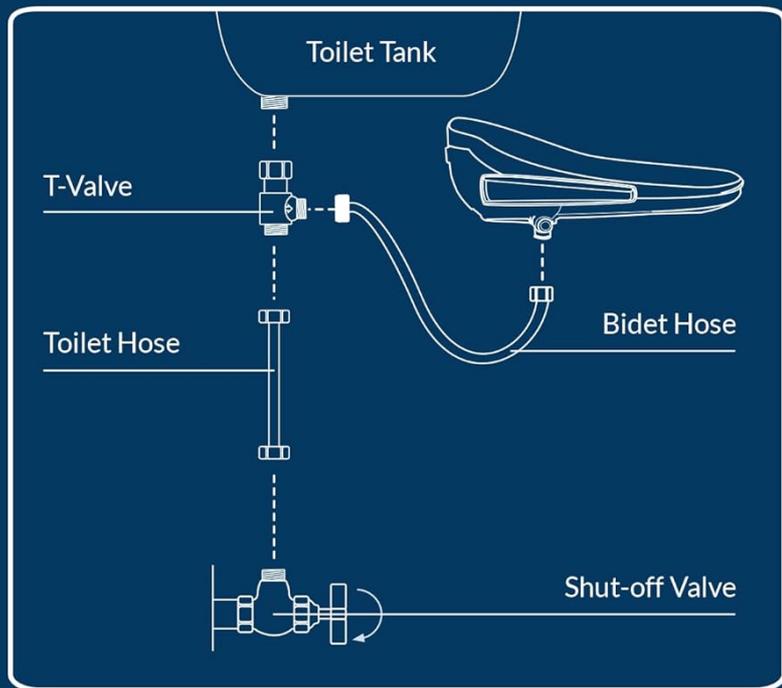

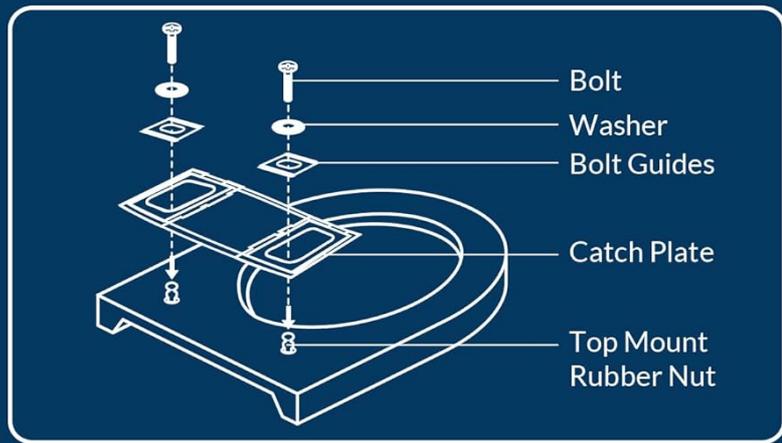

Figure 8: The durable 3-in-1 stainless steel nozzle provides multiple wash options.

## MAINTENANCE

### Nozzle Cleaning

The bidet features a self-cleaning function for its stainless steel nozzle. This ensures hygiene and extends the life of the nozzle. Refer to the side control panel for the 'Nozzle Cleaning' button to activate this feature.

For general cleaning of the bidet seat exterior, use a soft, damp cloth and mild, non-abrasive cleaning agents. Avoid harsh chemicals or abrasive scrubbers that could damage the surface.

## TROUBLESHOOTING

Specific troubleshooting steps are not detailed in the provided product information. For any operational issues or concerns, please refer to the full user guide (link provided in the Warranty and Support section) or contact Bio Bidet customer support.
