## Joovy New Qool Bench Seat

# Joovy New Qool Bench Seat Instruction Manual

Model: New Qool Bench Seat | Brand: Joovy

## INTRODUCTION

---

The Joovy New Qool Bench Seat is an innovative accessory designed to seamlessly integrate with your Joovy Qool stroller, transforming it into a versatile transport solution for multiple children. This bench seat provides a comfortable and secure spot for an older child, allowing them to ride along with younger siblings in various configurations. It is specifically designed for the Jet or Slate Joovy Qool models.

## SAFETY INFORMATION

---

**WARNING: Failure to follow these instructions could result in serious injury or death.**

- Always secure your child in the harness.
- Never leave children unattended in the stroller.
- Ensure the bench seat is correctly installed and locked into place before use.
- Do not exceed the maximum weight capacity of 55 lbs (25 kg) for the bench seat.
- Keep fingers and hands clear of moving parts during installation and adjustment.
- Regularly inspect the bench seat for any signs of wear, damage, or missing parts. Discontinue use if any issues are found.

## COMPONENTS

---

- Joovy New Qool Bench Seat with integrated harness system.

## **SETUP AND INSTALLATION**

---

The Joovy New Qool Bench Seat is designed for simple click-in installation onto the Joovy Qool stroller frame. It can be attached to the rear of the stroller, providing a ride-along option for an older child.

### **Installing the Bench Seat:**

1. Ensure your Joovy Qool stroller is unfolded and in an upright position.
2. Locate the attachment points at the rear base of the stroller frame.
3. Align the bench seat's connectors with the attachment points on the stroller.
4. Push the bench seat firmly downwards until you hear an audible 'click' on both sides, indicating it is securely locked into place.
5. Gently pull upwards on the bench seat to confirm it is securely attached and does not wobble.

**Note:** The bench seat can remain attached to the stroller even when the stroller is folded, offering convenience for storage and transport.

## OPERATING THE BENCH SEAT

---

The Joovy New Qool Bench Seat is designed for children who can sit unassisted and are within the specified weight limit. It provides a comfortable and secure riding option for older siblings.

### Securing Your Child:

1. Have the child sit on the bench seat.
2. Fasten the integrated 3-point harness system around the child. Ensure the straps are snug but not too tight, allowing for comfortable movement.
3. Adjust the footrest if available, to ensure the child's feet are comfortably supported.

### Stroller Configurations with Bench Seat:

The Joovy Qool stroller offers over 50 configurations, and the bench seat expands these possibilities. It can be used in conjunction with a single main seat, a second seat, a bassinet, or a car seat adapter.

- **Single Seat + Bench Seat:** Ideal for one younger child in the main seat and an older child on the bench.
- **Second Seat + Bench Seat:** Allows for two children in full seats and a third child on the bench seat. Note that space may be limited in this configuration.
- **Bassinet + Bench Seat:** For an infant in the bassinet and an older child on the bench.
- **Car Seat + Bench Seat:** For an infant in a compatible car seat and an older child on the bench.

## MAINTENANCE

---

### Cleaning Instructions:

- **Fabric:** Spot clean with a damp cloth and mild soap. Air dry completely. Do not machine wash or tumble dry.
- **Frame:** Wipe down with a soft, damp cloth. Dry thoroughly to prevent rust.
- Do not use abrasive cleaners or solvents.

### Storage:

- Store the bench seat in a clean, dry place away from direct sunlight and extreme temperatures.
- Ensure the bench seat is completely dry before storing to prevent mold or mildew.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Bench seat does not click into place.	Incorrect alignment or obstruction.	Ensure the stroller is fully unfolded. Realign the bench seat with the attachment points and push firmly until it clicks. Check for any debris in the attachment mechanism.
Child appears uncomfortable or cramped.	Stroller configuration or child's size.	Adjust the main seat's recline or position if possible. Consider alternative stroller configurations if space is consistently an issue, especially with multiple children. Ensure the child is within the recommended weight limit.
Harness is difficult to buckle or unbuckle.	Strap twisting or buckle obstruction.	Untwist any straps. Ensure the buckle is free of debris. If the issue persists, contact customer support.

## SPECIFICATIONS

---

- **Product Dimensions:** 10.63 x 6.69 x 17.52 inches
- **Maximum Weight Recommendation:** 55 Pounds (25 kg)
- **Material Composition:** 100% Polyester
