

DT600

Generic Distressed Cap DT600 Instruction Manual

Model: DT600

1. PRODUCT OVERVIEW

The Generic Distressed Cap DT600 is a baseball-style cap made from 100% cotton, featuring a distressed appearance and an adjustable closure. This cap is designed for adult use and is suitable for various outdoor occasions. It supports text embroidery for personalization.

Figure 1: Front view of the Distressed Cap DT600. Note the pre-distressed elements on the brim and cap body.

Figure 2: Rear view of the Distressed Cap DT600, highlighting the adjustable strap for a customized fit.

2. SETUP AND CUSTOMIZATION

This cap is designed for text embroidery customization. Follow these steps to ensure your personalization is accurate:

- Text Input:** When customizing, accurately enter your desired text in the designated customization section. Ensure all spelling and capitalization are correct.
- Font Selection:** Select your preferred font from the available options. A preview of the font should be available in the customization interface to help you make your choice.
- Review Order:** Before finalizing your order, carefully double-check all customization details, including text

and font. Orders proceed directly to production based on the submitted information.

3. OPERATING (WEARING) INSTRUCTIONS

To wear your Distressed Cap DT600:

1. **Adjusting the Fit:** Locate the self-fabric hideaway strap with the metal D-ring slider at the back of the cap. Adjust the strap to achieve a comfortable and secure fit on your head.
2. **Positioning:** Place the cap on your head, ensuring the brim is positioned to your preference for sun protection or style.

4. MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your 100% cotton distressed cap.

- **Cleaning:** Due to the distressed nature and embroidery, spot cleaning with a mild detergent and cold water is recommended. Avoid harsh chemicals or abrasive scrubbing.
- **Drying:** Air dry the cap away from direct sunlight or heat to prevent shrinking or damage to the fabric and embroidery. Do not machine dry.
- **Water Resistance:** This cap is **not** water resistant. Avoid prolonged exposure to heavy rain or submersion in water.
- **Color Care:** While the product information mentions "Various Colors To Choose From" for care instructions, general cotton care applies. For specific color retention, wash with similar colors if hand washing.

5. TROUBLESHOOTING

- **Cap feels too tight or too loose:** Adjust the self-fabric hideaway strap at the back of the cap using the metal D-ring slider until a comfortable fit is achieved.
- **Customization error:** If you notice an error in your customized text or font after receiving the product, please refer to the seller's return or exchange policy. Always double-check customization details before confirming your order.
- **Distressed elements appear different:** The distressed nature of the cap means that each item may have unique variations in its worn appearance. This is an intentional design feature.
