Brewista BX-GS002

Brewista 700ml/23.7oz X Series Glass Coffee Carafe Instruction Manual

Model: BX-GS002

PRODUCT OVERVIEW

This manual provides instructions for the proper use and care of your Brewista 700ml/23.7oz X Series Glass Coffee Carafe. Designed for pour-over coffee, this heat-resistant, odorless glass server features a polygonal design for enhanced flavor and a non-drip spout for clean pouring.

SETUP AND FIRST USE

1. **Unpacking:** Carefully remove all components from the packaging. Inspect the glass carafe for any damage.
2. **Initial Cleaning:** Before first use, wash the carafe thoroughly with warm, soapy water. Rinse completely and dry.
3. **Placement:** Place the carafe on a stable, heat-resistant surface when in use.

OPERATING INSTRUCTIONS

Brewing Pour-Over Coffee

1. **Prepare Your Dripper:** Place your preferred coffee dripper (93mm wide mouth fits most standard drippers) onto the top of the Brewista X Series Glass Coffee Carafe.
2. **Insert Filter and Coffee:** Insert a paper filter into the dripper and add your desired amount of ground coffee.
3. **Pre-wetting (Bloom):** Slowly pour a small amount of hot water over the coffee grounds to pre-wet them. Allow 30 seconds for the coffee to "bloom."
4. **Pouring:** Continue pouring hot water slowly and evenly over the coffee grounds in a circular motion, ensuring even extraction. The polygonal design of the carafe is intended to balance oxygenation and eliminate swirling, contributing to a smoother, richer taste.
5. **Serving:** Once brewing is complete, remove the dripper. The non-drip spout ensures a clean pour into your cup.

CARE AND MAINTENANCE

Cleaning

The Brewista X Series Glass Coffee Carafe is designed for easy cleaning due to its wide mouth and odorless glass.

- **Hand Washing Recommended:** Hand wash the carafe with warm, soapy water. Use a soft sponge or brush to clean the interior and exterior.
- **Rinsing:** Rinse thoroughly with clean water to remove all soap residue.
- **Drying:** Allow the carafe to air dry or dry with a soft cloth.

- **Detachable Lid:** The lid is detachable for easier cleaning.
- **Avoid Microwaves:** Do not use the carafe in a microwave, especially if it has gold foil details, to preserve its aesthetic integrity.

Storage

- Store the carafe in a safe place to prevent accidental breakage.

TROUBLESHOOTING

Common Issues

- **Slow Drip/Clogging:** Ensure your coffee grounds are not too fine, which can impede water flow. Check that the filter is properly seated.
- **Unstable Dripper:** Verify that your pour-over dripper has a 93mm wide mouth for optimal compatibility and stability on the carafe.
- **Carafe Feels Delicate:** The carafe is made of heat-resistant glass capable of withstanding temperatures from -20°C to 150°C. Handle with care to prevent breakage.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	Brewista
Model Name	BX-GS002
Material	Glass
Color	Clear
Capacity	0.7 Liters (23.7 Ounces)
Product Dimensions	6.7"W x 4.4"H
Included Components	Coffee Pitcher, Sealed Rim
Temperature Resistance	-20°C to 150°C
