Avenlur Grove 8-in-1 Indoor Jungle Gym Instruction Manual

Model: B09W7KWF4F

1. SAFETY INFORMATION

Prior to assembly and use, please read and understand all instructions. Failure to follow these instructions may result in serious injury.

- Adult Supervision Required:** Always ensure children are supervised by an adult while using the jungle gym.
- Age and Weight Limits:** Designed for children aged 2-11 years. Maximum weight capacity is 110 lbs (50 kg) per child, with a total set capacity of 330 lbs (150 kg). Do not exceed these limits.
- Secure Installation:** The jungle gym must be securely anchored to a sturdy wall as per assembly instructions to prevent tipping.
- Clearance Area:** Ensure adequate clear space around the entire structure to prevent collisions. Keep at least 6 feet (1.8 meters) of clear space on all sides.
- Soft Landing Surface:** Place the jungle gym on a soft, impact-absorbing surface such as foam mats or carpet.
- Regular Inspection:** Periodically check all bolts, screws, ropes, and components for tightness and wear. Tighten as necessary. Replace worn or damaged parts immediately.
- No Loose Clothing:** Avoid loose clothing, drawstrings, or jewelry that could get caught in the equipment.
- Indoor Use Only:** This product is designed for indoor use only.

2. PRODUCT OVERVIEW

The Avenlur Grove 8-in-1 Indoor Jungle Gym is a versatile play structure designed to promote physical activity and development in children. It features multiple play elements integrated into a single, compact unit.

Key Features:

- **8-in-1 Design:** Combines multiple activities for comprehensive play.
- **Components:** Includes wooden ladder, rope ladder, gymnastic rings, climbing rope, swing, slide, monkey bars, and a rope wall net.
- **Material:** Crafted from industrial-grade wood for durability and stability.
- **Space-Saving:** Designed for effortless folding and storage against a wall.

3. SETUP & ASSEMBLY

Assembly of the Avenlur Grove Jungle Gym requires two adults and basic household tools. Please follow the detailed assembly instructions provided in the separate assembly guide included with your product. Ensure all parts are present before beginning assembly.

Important Assembly Notes:

- **Tools Required:** A drill (for wall mounting), screwdriver, and wrench may be needed.

- **Wall Anchoring:** The main structure must be securely anchored to a wall stud using the provided hardware. Verify the wall's structural integrity before installation.
- **Component Attachment:** Ensure all ropes, rings, and ladders are securely fastened and tightened according to the instructions to prevent detachment during use.

4. OPERATING INSTRUCTIONS

The Avenlur Grove Jungle Gym offers a variety of activities to engage children. Encourage safe and imaginative play.

Using the Components:

- **Slide:** Children should slide down feet first, one at a time. Ensure the landing area is clear.
- **Wooden & Rope Ladders:** Encourage children to use both hands and feet for climbing.
- **Monkey Bars:** For swinging and hanging. Ensure a firm grip.
- **Gymnastic Rings:** For hanging, swinging, and developing upper body strength.
- **Climbing Rope & Rope Wall Net:** For climbing and developing coordination.
- **Swing:** Ensure adequate clearance around the swing path. One child at a time.

5. MAINTENANCE

Regular maintenance ensures the safety and longevity of your Avenlur Grove Jungle Gym.

- **Cleaning:** Wipe down wooden surfaces with a damp cloth and mild soap. Avoid harsh chemicals or abrasive cleaners.
- **Hardware Check:** Every 3 months, inspect all bolts, screws, and connection points. Tighten any loose hardware.
- **Rope and Fabric Inspection:** Check ropes, nets, and swing components for fraying, tears, or excessive wear. Replace if damaged.
- **Wood Condition:** Inspect wooden parts for splinters, cracks, or damage. Lightly sand any rough spots.

6. STORAGE

The Avenlur Grove Jungle Gym is designed for convenient storage. By removing the ladder and slide knobs, the structure can be folded against the wall, maximizing your space.

7. TROUBLESHOOTING

If you encounter any issues with your Avenlur Grove Jungle Gym, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Structure feels wobbly or unstable.	Loose hardware; improper wall anchoring.	Check and tighten all bolts and screws. Ensure wall anchors are properly installed into studs.
Ropes or rings detach during use.	Improper knot tying or attachment.	Refer to the assembly guide for correct attachment methods. Re-tie or re-secure all components.
Wood appears rough or splintered.	Normal wear and tear; environmental factors.	Lightly sand affected areas with fine-grit sandpaper.
