ASSEMBLY INSTRUCTIONS

Follow these steps for proper assembly. A rubber mallet (not included) may be helpful for securing shelves, or gentle, even pressure can be applied.

- 1. Prepare Components:** Unpack all parts and verify against the package contents list. Remove any protective covers from the shelves.
- 2. Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the lower poles. Ensure they are securely fastened.
- 3. Install Plastic Clips:** Assemble the plastic clips onto the poles with the "TOP" arrow pointing upwards. Ensure the clips are on the same horizontal line and align the groove of the clip with the groove on the pole. Shake the clips to confirm they are secure.
- 4. Assemble Lower Shelves:** Slide the bottom shelves onto the poles, resting them on the installed plastic clips. Apply gentle downward pressure or use a rubber mallet to secure the shelves firmly onto the clips.
- 5. Connect Middle Poles:** Screw the middle poles into the top of the lower poles.
- 6. Install Middle Shelves and Hanging Rods:** Attach plastic clips for the middle shelves and hanging rods at desired heights. Slide the shelves and rods onto the clips, ensuring they are firmly seated.
- 7. Connect Upper Poles:** Screw the upper poles into the top of the middle poles.
- 8. Assemble Upper Shelves:** Attach plastic clips for the upper shelves and slide the shelves onto the clips, securing them firmly.
- 9. Attach Hanging Hooks:** Place the 8 hanging hooks onto the side rails as desired for additional storage.
- 10. Install Anti-Tip Device:** For enhanced stability, secure the garment rack to a wall using the provided anti-tip devices. Follow the instructions for proper wall mounting.

USAGE

Customizable Configuration

The garment rack can be assembled in either a straight-lined or an L-shape configuration to best fit your space and storage needs. The height of the hanging rails and mesh shelves is adjustable, allowing for versatile organization of various clothing items and accessories.

Storage Features

- **Hanging Rods:** Utilize the three hanging rods for long dresses, shirts, pants, and other garments.
- **Adjustable Shelves:** Place folded pants, sweaters, or storage boxes on the large and small mesh shelves.
- **Storage Boxes:** The two included fabric storage boxes are ideal for organizing socks, underwear, or other small items. They can be placed on any shelf.
- **S-Hooks:** Use the eight provided S-hooks to hang handbags, belts, scarves, or additional clothing items on the side rails.

MAINTENANCE

To ensure the longevity and appearance of your garment rack:

- Wipe down metal surfaces with a soft, damp cloth. Avoid abrasive cleaners.
- Periodically check all connections and tighten if necessary to maintain stability.
- Clean fabric storage boxes according to their care labels.

TROUBLESHOOTING

Rack Instability

If the rack feels wobbly or unstable:

- Ensure all plastic clips are firmly seated in the pole grooves.
- Verify that all shelves are pressed down securely onto their clips.
- Check that the adjustable feet are evenly adjusted on all poles.
- Confirm the anti-tip devices are properly installed and secured to the wall.

Difficulty Assembling Shelves

If shelves are difficult to slide or secure:

- Ensure plastic clips are oriented correctly with the "TOP" arrow pointing upwards.
- Confirm clips are aligned with the grooves on the poles.
- Apply gentle, even pressure. A rubber mallet can be used carefully to tap shelves into place if needed.
