

EuropAce EBF Z1

EuropAce EBF Z1 Air Purifying Dual Bladeless Fan Instruction Manual

Model: EBF Z1

1. PRODUCT OVERVIEW

The EuropAce EBF Z1 is an advanced air purifying dual bladeless fan designed to provide efficient cooling and air purification. It features an internationally patented three-way airflow duct for powerful air circulation, dual side wings for wide oscillation, and an integrated Korean True HEPA Filter for effective air purification. The fan also incorporates Artificial Intelligent Smart Wind Technology for automatic speed adjustment based on ambient temperature, a DC Inverter Motor for energy efficiency, and offers 24 wind speeds for flexible control.

Figure 1: EuropAce EBF Z1 Air Purifying Dual Bladeless Fan. This image displays the EuropAce EBF Z1 Air Purifying Dual

Bladeless Fan. The fan features a sleek, tall, and bladeless design with a gun metal finish. It has a control panel at the top and a stable base.

Key Features:

- **Dual-Wings Bladeless Technology:** Innovative design for safe and efficient airflow.
- **Intelligent Air Circulation:** Patented Three-Way Airflow Duct for enhanced air movement up to 30m³/min and moving dual side wings for 160-degree oscillation.
- **Smart Wind Technology with HEPA Filtration:** Automatic wind speed adjustment based on temperature and integrated Korean True HEPA Filter for air purification.
- **Energy Efficient:** DC Inverter Motor for reduced power consumption.
- **Quiet Operation:** Designed for silent performance.
- **Variable Speed Control:** 24 adjustable wind speeds.
- **Integrated Remote Control:** Convenient operation from a distance.

2. SAFETY INFORMATION

Please read all safety instructions carefully before using the appliance. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- Always ensure the appliance is placed on a stable, flat surface.
- Do not insert fingers or objects into the air inlets or outlets.
- Keep the appliance away from water or other liquids.
- Unplug the appliance from the power outlet before cleaning or maintenance.
- Do not operate the appliance with a damaged cord or plug.
- This appliance is for indoor use only.
- Keep out of reach of children and pets.

3. SETUP

1. **Unpacking:** Carefully remove the fan from its packaging. Retain packaging materials for future storage or transport.
2. **Placement:** Place the fan on a firm, level surface, ensuring there is adequate space around it for optimal airflow and oscillation. Avoid placing it near curtains or other objects that could obstruct airflow.
3. **Power Connection:** Plug the power cord into a standard electrical outlet. Ensure the voltage matches the specifications of the appliance.

4. OPERATING INSTRUCTIONS

Control Panel and Remote Control:

The fan can be operated using the touch-sensitive control panel located on the top of the unit or via the included remote control. Ensure the remote control has working batteries.

- **Power On/Off:** Press the power button () to turn the fan on or off.
- **Fan Speed Adjustment:** Use the '+' and '-' buttons to cycle through the 24 available wind speeds. The current speed will be displayed on the LED screen.
- **Oscillation:** Press the oscillation button (↔) to activate or deactivate the 160-degree dual-side wing oscillation feature.

- **Mode Selection:** Select different operating modes such as Normal, Natural, or Sleep mode. Refer to the specific icons on the control panel for each mode.
- **Timer Function:** Set a timer for automatic shutdown.
- **Smart Wind Technology (AI Mode):** Activate the AI mode to allow the fan to automatically adjust its speed based on the ambient room temperature.
- **Air Purification:** The integrated HEPA filter operates continuously when the fan is on, purifying the air.

5. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your EuropAce EBF Z1 fan.

- **Cleaning the Exterior:** Wipe the exterior surfaces of the fan with a soft, damp cloth. Do not use abrasive cleaners or solvents. Ensure the fan is unplugged before cleaning.
- **Air Inlet/Outlet Cleaning:** Use a soft brush or vacuum cleaner with a brush attachment to gently remove dust from the air inlets and outlets.
- **HEPA Filter Replacement:** The Korean True HEPA Filter requires periodic replacement. The frequency depends on usage and air quality. Refer to the indicator on the control panel or consult the full user manual for specific instructions on how to access and replace the filter. Always use genuine EuropAce replacement filters.

6. TROUBLESHOOTING

If you encounter issues with your fan, please refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not turn on.	No power supply.	Check if the power cord is securely plugged into a working outlet.
Remote control not working.	Dead batteries or obstruction.	Replace remote control batteries. Ensure no obstructions between remote and fan.
Reduced airflow.	Blocked air inlets/outlets or dirty filter.	Clean air inlets/outlets. Check and replace the HEPA filter if necessary.
Unusual noise during operation.	Obstruction or internal issue.	Turn off and unplug the fan. Check for any foreign objects. If noise persists, contact customer support.

If the problem persists after attempting these solutions, please contact EuropAce customer support for assistance.

7. SPECIFICATIONS

Feature	Detail
Brand	EuropAce
Model	EBF Z1

Feature	Detail
Product Dimensions	26D x 25.3W x 115H cm
Weight	12.12 kg
Wattage	48 watts
Power Source	Corded Electric
Material Type	Metal
Special Features	Bladeless, Air Purification (HEPA Filter), Smart Wind Technology, 24 Wind Speeds, 160-degree Oscillation
Mounting Type	Floor Mount

8. WARRANTY AND SUPPORT

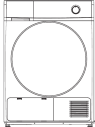

The EuropAce EBF Z1 Air Purifying Dual Bladeless Fan comes with a standard manufacturer's warranty. Please refer to the warranty card included with your purchase for specific terms and conditions, including warranty period and coverage details.

For technical support, service inquiries, or to purchase replacement parts (such as HEPA filters), please contact EuropAce customer service. Contact details can typically be found on the EuropAce official website or on your product packaging.

Please retain your proof of purchase for warranty claims.
