6. MAINTENANCE

To ensure the longevity of your Wishalife City Police Station Building Kit, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the building blocks and assembled models with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces in the provided multi-functional storage box when not in use to prevent loss and damage. Keep the kit away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Replace any broken parts if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your building kit, please refer to the following common solutions:

- **Missing Pieces:** If you find any pieces are missing from your kit, please contact WishaLife customer support for assistance.
- **Difficulty Connecting Pieces:** Ensure that pieces are aligned correctly and apply firm, even pressure to connect them. Some pieces may require a slightly stronger push to secure.
- **Models Falling Apart:** This can occur if pieces are not fully connected. Re-examine the connections and ensure all blocks are securely interlocked.
- **Sticker Application Issues:** Ensure surfaces are clean and dry before applying stickers. If a sticker is misaligned, gently peel it off and reapply.
