1. **Prepare the Workspace:** Clear a spacious area and lay down a soft cloth or carpet to protect the furniture parts and your floor during assembly.
2. **Identify Components:** Unpack all components and hardware. Refer to the parts list to ensure everything is present.
3. **Assemble the Main Frame:** Attach the side panels to the bottom panel and any central support beams using the provided hardware (e.g., dowels and cam locks). Ensure all connections are secure.
4. **Install Drawer Slides:** Secure the drawer slides to the designated interior sections of the coffee table frame. Pay attention to the orientation of the slides (left/right, front/back).
