3. SETUP

Your XINXIN Square Sunglasses are ready for immediate use upon unpacking. No assembly or complex setup is required.

1. Carefully remove the sunglasses from their packaging.
2. Inspect the sunglasses for any visible damage.
3. Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples sit securely over your ears.

4. OPERATING INSTRUCTIONS / USAGE

These sunglasses are designed for a wide range of outdoor activities and daily wear. They provide protection from sunlight and enhance visual clarity.

- **Outdoor Activities:** Ideal for driving, fishing, shopping, cycling, hiking, running, skiing, and traveling.
- **Daily Wear:** Can be worn as a fashion accessory throughout the year.
- **Eye Protection:** Helps reduce glare and protect your eyes from harmful UV rays during daylight hours.

5. MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your sunglasses.

- **Cleaning Lenses:** Use a soft, clean microfiber cloth specifically designed for eyewear. For stubborn smudges, lightly dampen the cloth with water or a specialized lens cleaning solution. Avoid using paper towels, clothing, or harsh chemicals, as these can scratch the lenses.

- **Cleaning Frame:** Wipe the frame with a soft, damp cloth.
- **Storage:** When not in use, store your sunglasses in a protective case to prevent scratches and damage. Avoid leaving them in direct sunlight or extreme heat (e.g., on a car dashboard) for prolonged periods, as this can warp the frame or damage the lens coatings.
- **Handling:** Always hold sunglasses by the frame, not the lenses, to avoid smudges and potential damage.

6. TROUBLESHOOTING

If you encounter any issues with your sunglasses, consider the following:

- **Blurred Vision:** Ensure lenses are clean. If blurring persists after cleaning, inspect for scratches.
- **Discomfort:** Check if the nose pads or temples are properly aligned. Gentle adjustments may be possible, but avoid excessive force to prevent damage.
- **Loose Screws:** If hinges feel loose, a small eyewear repair kit with a miniature screwdriver can be used to tighten them carefully.

For issues not resolved by these steps, please contact customer support.

7. SPECIFICATIONS

INFORMATION

PRODUCT ATTRIBUTES

Gender: Unisex

Product code: 334

Frame Material: Metal+PC

Product Type: Sunglasses

Lens Attribute: Resin

Weight: 23.3g
