# ERT GROUP iPhone 13 Pro Friends Pattern 012 TPU Phone Case User Manual

## 1. PRODUCT OVERVIEW

---

This ERT GROUP mobile phone case is designed specifically for the Apple iPhone 13 Pro. It features an original and officially licensed Friends Pattern 012 design, ensuring authenticity. The case is constructed from flexible Thermoplastic Polyurethane (TPU), which provides both elasticity and abrasion resistance, while showcasing vibrant graphic details.

The unique design enhances the phone's appearance and expresses individual style. It offers reliable protection for your smartphone, featuring raised edges that ensure a perfect fit and help cushion the device in the event of a fall. The materials used are REACH-certified, reflecting a commitment to safety and quality, with careful processing, deep colors, and sharp imagery.

## 2. INSTALLATION INSTRUCTIONS

Follow these steps to properly install the phone case on your Apple iPhone 13 Pro:

1. **Clean Your Device:** Ensure your iPhone 13 Pro is clean and free of dust or debris before installation.
2. **Align the Case:** Hold the case with the design facing outwards. Align the camera cutouts of the case with the camera lenses of your iPhone 13 Pro.
3. **Insert Top Edge:** Gently push the top edge of your iPhone 13 Pro into the top edge of the case.
4. **Snap into Place:** Work your way around the phone, gently pressing the edges of the case over the sides of your iPhone 13 Pro until it is fully seated and secure. Ensure all buttons and ports align correctly with the case's openings.

### 3. PRODUCT USAGE

---

The ERT GROUP TPU phone case is designed for daily use to protect your iPhone 13 Pro from scratches, minor impacts, and dust. Its flexible TPU material absorbs shocks, while the raised edges provide additional protection for the screen and camera lenses when the phone is placed on flat surfaces.

The case maintains full access to all ports, buttons, and features of your iPhone 13 Pro, ensuring unhindered functionality. The lightweight and slim design adds minimal bulk to your device.

## 4. CARE AND CLEANING

To maintain the appearance and integrity of your ERT GROUP TPU phone case, follow these cleaning guidelines:

- **Regular Cleaning:** Wipe the case regularly with a soft, damp cloth to remove dust and fingerprints.
- **Stubborn Stains:** For more stubborn stains, use a small amount of mild soap diluted in water. Apply with a soft cloth, gently rub the affected area, and then wipe clean with a separate damp cloth.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the TPU material and the printed design.
- **Drying:** Allow the case to air dry completely before reattaching it to your phone.
