

MUSICOZY GH01

MUSICOZY Bluetooth 5.4 Sleep Headband Headphones User Manual

Brand: MUSICOZY | Model: GH01

1. INTRODUCTION

The MUSICOZY Bluetooth 5.4 Sleep Headband Headphones combine wireless audio technology with a comfortable, breathable headband. Designed for versatile use, these headphones are suitable for sleeping, sports, workouts, running, yoga, meditation, and travel. They feature a built-in microphone for hands-free calls and advanced Bluetooth 5.4 technology for stable connectivity and superior audio quality.

What's in the Box:

- MUSICOZY Bluetooth Sleep Headband Headphones
- 1 x USB Charging Cable
- User Manual

2. SETUP AND FIRST USE

2.1 Charging the Headband

Before first use, fully charge the headband headphones. The built-in rechargeable lithium battery requires approximately 1-2 hours for a full charge, providing up to 14 hours of continuous playtime.

1. Locate the charging port on the control panel of the headband.
2. Connect the provided USB charging cable to the charging port.
3. Connect the other end of the USB cable to a compatible USB power source (e.g., computer USB port, USB wall adapter).
4. The LED indicator light will show charging status (refer to the control panel diagram for specific light indications).

One Touch to Freedom

Effortless control for a seamless musical journey.

2.2 Bluetooth Pairing

Follow these steps to connect your MUSICOZY headband headphones to your Bluetooth-enabled device:

1. Ensure all other Bluetooth functions on nearby devices are turned off to prevent interference.
2. Long press the **Power Button** (center button) to turn the headphones on or off.
3. The red/blue LED indicator light will begin to blink, indicating the headphones are in pairing mode.
4. On your device (smartphone, tablet, laptop), go to the Bluetooth settings and search for available devices.
5. Select the Bluetooth name: **musiCozy** from the list.

6. Once connected, the LED light will typically stop blinking or change to a solid blue, indicating a successful connection.

- **Answer/End Call:** Short press the **Power Button** during an incoming call to answer, or during a call to end.
- **Reject Call:** Long press the **Power Button** during an incoming call to reject.

Wearing the Headband

The headband is designed for comfort and versatility. Position the headband so that the integrated speakers align with your ears. The soft spandex-nylon blend material is elastic and fits most head sizes, making it suitable for extended wear during sleep or physical activity.

Better Sleep Starts Here

MUSICOZY's innovative light-blocking design lets you enjoy a comfortable night's sleep, every night.

Soft and Soothing by Night

Stay Cool, Stay Refresh

Crafted with tightly-knit fabric, it delivers on sweat absorption and comfort.

Fresh and Dry by Day

4. MAINTENANCE

4.1 Cleaning Instructions

To maintain hygiene and prolong the life of your headband headphones, regular cleaning is recommended. The headband is made from a breathable spandex-nylon blend and can be washed.

1. Carefully remove the electronic components (speakers and control panel) from the internal pockets of the headband.

- 2. Hand wash the fabric headband with mild soap and cool water.
- 3. Rinse thoroughly and allow the headband to air dry completely before reinserting the electronic components.
- 4. Do not machine wash or tumble dry the electronic components.

4.2 Storage

When not in use, store the headband headphones in a cool, dry place away from direct sunlight and extreme temperatures. Avoid placing heavy objects on the headband to prevent damage to the internal components.

5. TROUBLESHOOTING

If you encounter any issues with your MUSICOZY Bluetooth Sleep Headband Headphones, please refer to the following common solutions:

Problem	Possible Solution
Cannot pair with device	<ul style="list-style-type: none">◦ Ensure the headband is charged and powered on.◦ Make sure Bluetooth is enabled on your device.◦ Turn off Bluetooth on other nearby devices that may be interfering.◦ Forget "musiCozy" from your device's Bluetooth list and try pairing again.◦ Restart both the headband and your device.
No sound or low volume	<ul style="list-style-type: none">◦ Increase the volume on both the headband and your connected device.◦ Ensure the speakers are correctly positioned over your ears.◦ Check if the headband is properly connected to your device.◦ Try playing different audio sources.
Intermittent connection	<ul style="list-style-type: none">◦ Ensure your device is within the Bluetooth range (approx. 35 feet).◦ Avoid physical obstructions between the headband and your device.◦ Minimize wireless interference from other devices.
Headband not charging	<ul style="list-style-type: none">◦ Check if the charging cable is securely connected to both the headband and the power source.◦ Try a different USB port or power adapter.◦ Ensure the charging port on the headband is clean and free of debris.
