Coverado 8858 SEAT COVERS

Coverado Universal Car Seat Covers Instruction Manual

Model: 8858 SEAT COVERS

1. PRODUCT OVERVIEW

The Coverado Universal Car Seat Covers are designed to provide comprehensive protection and enhance the interior aesthetics of most vehicles. Crafted from durable, high-quality materials, these seat covers offer resistance against dirt, spills, and general wear and tear, helping to maintain the original condition of your car seats. The design incorporates features such as full coverage, airbag compatibility, and lumbar support for improved comfort and safety.

2. KEY FEATURES

- **Ultimate Protection:** Made from durable materials to shield seats against dirt, spills, and wear, preserving the original upholstery.
- **Universal Fit:** Designed to fit most cars, SUVs, and trucks. Rear seat covers are adjustable from 48 to 58 inches in length for a secure fit.
- **Modern Design:** Full coverage design that maintains original seat features such as airbags, seat belts, armrests, and seat adjustments. Includes lumbar support for enhanced driving comfort.
- **Easy to Clean:** Features a waterproof and dirt-resistant surface, allowing for easy cleaning and maintenance. Non-slip silicone material on the bottom ensures the cover stays firmly in place.
- **Premium Materials:** Constructed with multiple layers including waterproof Nappa leather, breathable sponge, non-woven fabric, soft cotton, and a non-slip backing for durability and comfort.

Image 2.2: Cross-section diagram illustrating the multi-layered construction of the seat covers for enhanced durability and comfort.

3. COMPATIBILITY AND SIZING

Coverado seat covers are designed for universal fit across a wide range of vehicles, including sedans, SUVs, and trucks. It is important to verify compatibility with your specific vehicle model before installation.

Front Seat Compatibility:

- Airbag and seatbelt compatible.
- Headrest cover is removable.
- Front seat covers will fit bucket seats with removable headrests or airbags.

Rear Seat Compatibility:

- Rear seat covers will fit 50/50, 60/40, and 60/60 split rear seats.
- Rear seats should be less than 56 inches wide.

Important Note: The seat cover material is faux leather, designed to maximize appearance and texture similar to leather, but it is not real leather.

Universal fit most Cars, SUV, Truck and Pick-up

4. INSTALLATION GUIDE

Installing your Coverado seat covers requires careful attention to ensure a snug and secure fit. The package includes an installation manual, chucks, and hooks. For a visual guide, please refer to the official installation videos provided by Coverado.

General Installation Steps:

- 1. Prepare the Seats:** Ensure your car seats are clean and free from debris. Remove any existing seat covers.
- 2. Position the Cover:** Carefully place the seat cover over the seat, aligning the top with the headrest and ensuring the sides are evenly distributed.
- 3. Secure the Headrest:** If applicable, secure the headrest cover. For removable headrests, slide the cover over and secure any straps or elastic.
- 4. Fasten Straps and Hooks:** Locate the straps and hooks attached to the seat cover. Pass them under the seat and connect them securely. Use the provided chucks to push excess fabric into the seat crevice for a tighter fit.
- 5. Adjust and Smooth:** Once all fasteners are secured, smooth out any wrinkles or loose areas on the seat cover to achieve a tailored appearance.

For further assistance, you can scan the QR code on the last page of your physical manual to watch additional installation videos online on YouTube, or contact Coverado customer support.

5. OPERATING AND USAGE

Once installed, your Coverado seat covers are designed to integrate seamlessly with your vehicle's interior. They are engineered to not interfere with the functionality of seat belts, airbags, or seat adjustment mechanisms.

- **Airbag Compatibility:** The seat covers are designed with specific openings or materials to ensure proper deployment of side airbags. Do not obstruct these areas.
- **Seat Belt Access:** All seat belt buckles and anchors remain fully accessible and functional.
- **Seat Adjustments:** The covers allow for full range of motion for seat adjustments, including recline, slide, and height adjustments.
- **Heated/Cooled Seats:** The material is designed to allow the functionality of heated and cooled seats to pass through effectively.

Image 5.1: Demonstration that the seat covers do not impede the function of heated or cooled seats.

6. MAINTENANCE AND CARE

To ensure the longevity and appearance of your Coverado seat covers, follow these simple maintenance guidelines:

- **Cleaning Spills:** Due to their waterproof and dirt-resistant surface, most spills can be easily wiped away with a damp cloth.
- **Regular Cleaning:** For general cleaning, use a soft cloth dampened with mild soap and water. Wipe down the surface gently.

- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or solvents, as these can damage the material.
- **Drying:** Allow the seat covers to air dry completely after cleaning. Do not use direct heat sources.
