# Columbia Women's Pardon My Trench II Rain Jacket User Manual

Model: 1839841

## INTRODUCTION

---

The Columbia Pardon My Trench II Rain Jacket is designed to provide reliable protection against rain while offering comfort and style. This jacket features a waterproof construction, an attached adjustable hood, a back venting system for breathability, a removable belt for a customizable fit, and secure zippered hand pockets. This manual provides essential information for the proper use, care, and maintenance of your jacket.

## SETUP AND ADJUSTMENTS

Before first use, familiarize yourself with the jacket's adjustable features to ensure a comfortable and effective fit.

- **Adjustable Hood:** The attached hood can be adjusted for a snug fit to protect your head from rain. Locate the drawcords and toggles around the hood opening and at the back of the hood. Pull the drawcords to tighten and release the toggles to loosen.

Detail of the adjustable hood with drawcords.

- **Removable Belt:** The jacket includes a removable belt for waist adjustment and style. Thread the belt through the loops on the jacket and tie it as desired. The belt can be removed if a looser fit is preferred.

The removable belt allows for a customized fit and silhouette.

- **Adjustable Cuffs:** The cuffs feature hook-and-loop closures to adjust the tightness around your wrists, preventing water from entering and retaining warmth.

Adjustable cuffs with hook-and-loop fasteners.

## OPERATING INSTRUCTIONS

To maximize the performance and comfort of your rain jacket, follow these operating guidelines:

- **Wearing the Jacket:** Don the jacket over your clothing. Ensure the main zipper is fully engaged and zipped up to the top for complete protection. The jacket features a two-way front zipper, allowing you to unzip from the bottom for increased mobility or ventilation without fully opening the jacket.
- **Utilizing Pockets:** The jacket is equipped with zippered hand pockets. Use these to securely store small personal items, protecting them from rain and preventing loss.
- **Ventilation:** The back venting system is designed to allow air circulation, preventing overheating during activity. This feature works passively to maintain comfort.

The back venting system provides breathability.

## CARE AND MAINTENANCE

---

Proper care will extend the life and maintain the performance of your Columbia Pardon My Trench II Rain Jacket.

- **Washing Instructions:** Machine wash cold with like colors. Use a mild detergent. Do not bleach.
- **Drying:** Tumble dry low. Remove promptly. Do not iron. Do not dry clean.
- **Storage:** Store the jacket in a cool, dry place when not in use. Ensure it is clean and completely dry before storing to prevent mildew.

The jacket's interior features a polyester mesh lining for comfort.

## TROUBLESHOOTING

---

If you encounter any issues with your jacket, consider the following common solutions:

- **Jacket not keeping you dry:** Ensure all zippers are fully closed, the hood is properly adjusted, and cuffs are tightened. While the jacket is waterproof, extreme conditions or prolonged exposure may test its limits.
- **Jacket feels too warm:** Utilize the back venting system and the two-way front zipper to increase airflow. Consider wearing lighter layers underneath in warmer conditions.
- **Zipper sticking:** Apply a small amount of zipper lubricant or a graphite pencil to the zipper teeth to improve smooth operation. Avoid forcing the zipper.

## SPECIFICATIONS

---

<b>Model Number</b>	1839841
<b>Fabric Type</b>	100% Polyester; Fine Mesh: 100% Polyester
<b>Water Resistance Level</b>	Waterproof
<b>Number of Pockets</b>	4 (Zippered hand pockets)
<b>Closure Type</b>	Zipper
