4. SETUP INSTRUCTIONS

Follow these step-by-step instructions for assembling your Julia Upholstered Platform Bed. It is highly recommended to have two people for assembly.

1. **Unpack and Identify Parts:** Carefully remove all components from the packaging. Lay them out on a soft, clean surface to prevent scratches. Identify each part using the package contents list.
2. **Attach Side Rails to Headboard:** Align the side rails with the pre-drilled holes on the headboard. Secure them using the provided bolts and washers. Do not fully tighten yet.
3. **Attach Side Rails to Footboard:** Repeat the previous step to attach the other end of the side rails to the footboard. Once all connections are made, gently tighten all bolts.
4. **Install Center Support Legs:** Attach the center support legs to the designated points on the center support beam or directly to the side rails, depending on your model's design. Ensure they are firmly

attached and provide stable support.

5. **Place Wooden Slats:** Lay the wooden slats across the bed frame, ensuring they are evenly spaced and secured into the designated slots or attached with screws if provided. The slats provide the necessary support for your mattress, eliminating the need for a box spring.
6. **Final Tightening:** Once all components are in place, go back and fully tighten all bolts and screws using the provided Allen key. Ensure the bed frame is stable and does not wobble.

5. OPERATING (USAGE) INSTRUCTIONS

Your Julia Upholstered Platform Bed is designed for comfortable and stable sleep. Follow these guidelines for optimal use:

- **Mattress Placement:** Carefully place your mattress directly onto the wooden slats. No box spring is required.
- **Weight Distribution:** Distribute weight evenly across the bed surface. Avoid concentrating heavy loads on small areas.
- **Avoid Jumping:** Do not jump on the bed, as this can damage the frame, slats, or cause injury.
- **Regular Checks:** Periodically check all connections and fasteners to ensure they remain tight. Retighten if necessary to maintain stability.

6. MAINTENANCE

Proper care and maintenance will extend the life and appearance of your Julia Upholstered Platform Bed:

- **Cleaning Velvet Upholstery:**
 - For light dust, use a soft brush or vacuum cleaner with an upholstery attachment.
 - For spills, blot immediately with a clean, dry cloth. Do not rub.
 - For tougher stains, consult a professional upholstery cleaner or use a mild, water-free cleaning solvent specifically designed for velvet, testing on an inconspicuous area first.
 - Avoid direct sunlight to prevent fading of the velvet fabric.
- **Cleaning Gold Legs:** Wipe with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Frame Care:** Wipe wooden or metal frame components with a dry or slightly damp cloth.
- **Regular Inspection:** Every few months, inspect the bed frame, slats, and all connections for any signs of wear, loosening, or damage. Address any issues promptly.

7. TROUBLESHOOTING

If you encounter any issues with your Julia Upholstered Platform Bed, refer to the table below for common problems and their solutions.
