Upon receiving your Nike LeBron 18 shoes, inspect them for any visible damage. The shoes are ready for immediate use after unpacking.

Unpacking and Inspection:

1. Carefully remove the shoes from their packaging.
2. Examine the shoes for any manufacturing defects or shipping damage. If any issues are found, refer to the "Warranty Information" section.
3. Ensure both shoes are present and match the expected model and size.

3. WEARING INSTRUCTIONS

Properly wearing and lacing your basketball shoes can enhance comfort and support.

Lacing Your Shoes:

- Loosen the laces sufficiently to allow your foot to slide in comfortably without forcing.
- Once your foot is in, gently pull the laces from the bottom eyelets upwards, ensuring an even tension across the foot.
- Tie the laces securely, but not so tightly that they restrict circulation or cause discomfort. A snug fit is ideal for basketball performance.

- **Drying:** Allow shoes to air dry naturally at room temperature. Do not use direct heat sources like radiators or hair dryers, as this can damage materials.
- **Laces:** Laces can be removed and hand-washed separately with mild soap and water.

Storage:

- Store shoes in a cool, dry place away from direct sunlight.
