JAUYXIAN JAUYXIAN-S55

JAUYXIAN S55 Portable Bluetooth Speaker System User Manual

Model: JAUYXIAN-S55

INTRODUCTION

Thank you for choosing the JAUYXIAN S55 Portable Bluetooth Speaker System. This manual provides essential information for setting up, operating, and maintaining your speaker system. Please read it thoroughly before use to ensure optimal performance and longevity of your device. This system is designed to deliver high-quality audio with versatile connectivity options, suitable for various indoor and outdoor activities.

KEY FEATURES

- **Superb HD Stereo Sound Quality:** Equipped with a high-performance audio driver and advanced digital signal processor for clear sound, strong bass, and moderate volume without distortion. Features a built-in 5.25" subwoofer and 2" tweeter.
- **Multi-function Connectivity:** Latest Bluetooth 5.0 chip for stable wireless streaming. Supports Micro TF card, Flash USB, and AUX-in. Compatible with Android phones, TVs, iPads, tablets, and PCs. Includes a 6.35mm microphone input for microphones or guitars.
- **Lightweight & Large Capacity Battery:** Durable solid wood/leather shell, weighing 2.96 KGS (6.52 lbs). Includes a shoulder strap for portability. Built-in 3.7V/5200mAh rechargeable lithium-ion battery provides 6-8 hours of continuous music playback (up to 10 hours normal play time, 72 hours standby).
- **Colorful Disco Lights:** Integrated LED lights with an independent switch to create a vibrant atmosphere for karaoke and parties.
- **TWS Mode:** Connect two JAUYXIAN S55 speakers wirelessly for powerful, synchronized stereo sound, creating an immersive three-dimensional audio experience.
- **Included Accessories:** Comes with two wireless microphones and a remote control.

PACKAGE CONTENTS

Please check the package contents upon unboxing:

- JAUYXIAN S55 Portable Bluetooth Speaker
- Two Wireless Microphones
- Remote Control
- Shoulder Strap
- Charging Cable
- User Manual (this document)

SETUP

1. Charging the Speaker

Before first use, fully charge the speaker. Connect the provided charging cable to the speaker's charging port and a suitable power source. The charging indicator light will show the charging status. A full charge typically takes several hours. Avoid using fast chargers not specified for this device to prevent damage.

2. Installing Batteries (Microphones & Remote Control)

The wireless microphones and remote control require batteries (not specified in product data, but typically AAA or AA). Open the battery compartment on each device and insert the batteries, ensuring correct polarity.

3. Attaching the Shoulder Strap

Attach the included shoulder strap to the designated loops on the speaker for easy portability. Ensure the strap is securely fastened before carrying the speaker.

OPERATING INSTRUCTIONS

1. Powering On/Off

Locate the power button on the control panel. Press and hold to power the speaker on or off.

Figure 2: Control Panel Overview.

2. Bluetooth Pairing

1. Turn on the JAUYXIAN S55 speaker. The display will show "BLUE" indicating Bluetooth mode.
2. Enable Bluetooth on your mobile device (smartphone, tablet, PC).
3. Search for "JAUYXIAN S55" in your device's Bluetooth settings.
4. Select "JAUYXIAN S55" to pair. A confirmation sound will indicate successful pairing.

Figure 3: Bluetooth 5.0 for speedy wireless transmission.

3. Using Wireless Microphones

The speaker comes with two wireless microphones. Simply turn on the microphones, and they will automatically connect to the speaker. Use the "MIC VOL" knob on the control panel to adjust microphone volume.

Auto connection on launch, easy to use

Advanced digital signal modulation technology of wireless transmission,
Provide high sound quality and stable signal transmission.

4. TWS (True Wireless Stereo) Mode

To achieve a true stereo experience, you can connect two JAUYXIAN S55 speakers together:

1. Ensure both speakers are powered on and not connected to any Bluetooth device.
2. Press the "TWS" button on one of the speakers. It will enter pairing mode.
3. The two speakers will automatically connect to each other. A confirmation sound will indicate successful TWS pairing.
4. Once paired, connect your mobile device to one of the speakers via Bluetooth. Audio will now play through both speakers in stereo.

Two speakers automatically interconnect Surround sound like in the cinema

TWS(TWINS)interconnect technology. 2 speakers can be interconnected wirelessly automatically divide channels.You can enjoy amazing and immersive stereo.
Build a mature audio environment to create a three-dimensional effect.

12 Hours Playing time
5200mAh Battery

Figure 5: TWS (TWINS) interconnect technology for immersive stereo.

5. Other Playback Modes (USB, TF Card, AUX-in, FM Radio)

- **USB/TF Card:** Insert a USB flash drive or Micro TF card into the respective slot. The speaker will automatically switch to the corresponding mode and begin playing audio files.
- **AUX-in:** Connect an external audio device using a 3.5mm AUX cable to the AUX-in port. The speaker will switch to AUX mode.
- **FM Radio:** Extend the antenna for better reception. Press the "M" (Mode) button to switch to FM radio mode. Use the number pad or navigation buttons to tune to desired stations.

6. Adjusting Sound Controls

Use the dedicated knobs on the control panel to fine-tune your audio experience:

- **MASTER:** Main volume control for the speaker.
- **MIC VOL:** Adjusts the volume of the connected microphones.
- **ECHO:** Controls the echo effect for microphone input.

- **BASS:** Adjusts the low-frequency sound (bass).
- **TREBLE:** Adjusts the high-frequency sound (treble).

HD Stereo Sound Quality

Built-in stereo sound and bass speaker can provide high-performance optimized sound and full-range stereo sound reproduction.

Create powerful, loud and clear stereo sound effects.

Figure 6: Internal components for HD Stereo Sound Quality.

7. Disco Lights

The speaker features colorful LED disco lights. Use the independent light switch button on the control panel to turn them on or off, or to cycle through different lighting effects.

MAINTENANCE

- Keep the speaker in a dry environment and away from direct sunlight or extreme temperatures.
- Clean the speaker with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Avoid exposing the speaker to water or excessive moisture.
- When not in use for extended periods, store the speaker in a cool, dry place and ensure it is fully charged every few months to preserve battery life.

TROUBLESHOOTING

Problem	Possible Cause	Solution
No power	Battery drained; Power cable not connected	Charge the speaker; Ensure power cable is securely connected
No sound	Volume too low; Incorrect input mode; Device not paired	Increase volume; Select correct input mode (Bluetooth, AUX, USB, TF); Re-pair Bluetooth device
Microphone not working	Microphone off; Batteries low/dead; MIC VOL too low	Turn on microphone; Replace batteries; Increase MIC VOL
Bluetooth connection unstable	Device too far; Interference	Move device closer to speaker; Avoid obstacles; Turn off other Bluetooth devices
TWS pairing failed	Speakers already connected to another device; Incorrect pairing steps	Disconnect speakers from other devices; Follow TWS pairing instructions carefully
