SEMKY (1616Pieces)

SEMKY Micro Mini Blocks Dog Series 8-in-1 Animal Model Set Instruction Manual

Model: (1616Pieces)

Introduction

This instruction manual provides detailed guidance for assembling and maintaining your SEMKY Micro Mini Blocks Dog Series 8-in-1 Animal Model Set. This set allows you to construct eight distinct dog models: Corgi, Doberman, Siberian Sled, Golden Retriever, Pit Bull, Schnauzer, Yorkshire Terrier, and Pug. Designed for individuals aged 10 years and up, this micro block set offers a challenging and rewarding building experience, resulting in detailed display models.

Safety Information

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years old due to choking hazards.
- **Age Recommendation:** Recommended for ages 10 years and up. Adult supervision is advised for younger builders.
- **Handling:** Handle blocks with care to avoid loss. Keep blocks away from pets to prevent accidental ingestion.
- **Storage:** Store unassembled blocks and completed models in a secure container or location to prevent damage or loss.

Package Contents

Upon opening the SEMKY building blocks universal color box, you will find the following components:

- Micro building blocks (totaling 1616 pieces)
- Detailed assembly instructions for each of the 8 dog models

Assembly Instructions

The SEMKY Micro Mini Blocks Dog Series offers a challenging yet rewarding building experience. Follow the included printed instructions carefully for each dog model.

1. **Preparation:** Unpack all micro blocks and sort them by color or shape as indicated in the specific model's instructions. This will significantly aid the building process.
2. **Follow Step-by-Step Diagrams:** Each dog model comes with its own set of detailed, visual instructions. Identify the starting base pieces and build layer by layer, ensuring each block is securely connected.
3. **Precision:** Micro blocks require precision due to their small size. Use a flat surface and good lighting.
4. **Verify Connections:** Ensure all blocks are firmly pressed together to prevent the model from falling apart.
5. **Completion:** Once all steps are followed, your dog model will be complete and ready for display.

Usage and Display

Once assembled, your SEMKY Micro Mini Blocks dog models are designed for display. They make wonderful 3D art pieces for your home or office.

- **Display:** Place your completed models on shelves, desks, or in display cases.
- **Arrangement:** The set includes 8 unique dog models, allowing for various display combinations.
- **Interaction:** While durable for display, these models are not intended for rough play.

Maintenance and Care

To ensure the longevity and appearance of your SEMKY Micro Mini Blocks models, follow these care guidelines:

- **Cleaning:** Gently dust the models with a soft brush or a dry cloth. Avoid using water or chemical cleaners, as these may damage the blocks or cause discoloration.
- **Storage:** If disassembling or storing, keep blocks in a sealed container to prevent dust accumulation and loss of small pieces.
- **Environment:** Keep models away from direct sunlight and extreme temperatures to prevent material degradation or fading.

Troubleshooting

Missing Pieces

All pieces in SEMKY products are sorted and packaged by machine and undergo strict inspections. However, in the rare event that your set is missing pieces, please contact us directly. We will send the missing parts to you for free.
For assistance with missing pieces, please refer to the "Support and Contact Information" section.
