Store 33x180cm

Store Brand Table Runner Instruction Manual

Model: 33x180cm

INTRODUCTION

Thank you for purchasing the Store Brand Table Runner. This product is designed to enhance your home decor with its elegant Chinese and modern Japanese style, featuring a beautiful pattern and decorative tassels. This manual provides essential information on its setup, usage, maintenance, and specifications to ensure long-lasting enjoyment.

SETUP AND PLACEMENT

The table runner is designed for easy placement on various surfaces. To set up your table runner:

- Unpack:** Carefully remove the table runner from its packaging.
- Initial Flattening:** Due to shipping, the runner may have creases. These can be smoothed out by gently ironing on a low-temperature setting.
- Placement:** Lay the table runner centrally along the length of your dining table, coffee table, TV stand, or other furniture. Ensure it drapes evenly on both ends if desired.

The runner's design helps prevent scratches on your furniture and reduces noise from dishes and cups.

USAGE

This table runner is versatile and suitable for various occasions and settings:

- **Daily Use:** Protects your dining table from spills and scratches during everyday meals.
- **Special Events:** Ideal for decorating tables at dinner parties, birthdays, weddings, banquets, exhibitions, and other celebrations.
- **Home Accent:** Can be used on TV stands, dressers, or console tables to add an elegant touch to your living space and protect surfaces from dust.

Its material offers resistance to water, mildew, and oil, making it a practical choice for dining areas.

MAINTENANCE AND CARE

Proper care will help maintain the appearance and longevity of your table runner:

- **Spot Cleaning:** For minor spills of water, condiments, or oil, wipe immediately with a towel or cloth. The material is designed to resist stains.
- **Washing:** If thorough cleaning is required, the table runner can be hand washed or gently machine washed.
- **Drying:** After washing, hang to dry immediately in a well-ventilated area. Do not soak for extended periods.
- **Ironing:** If necessary, iron on a low-temperature setting.
- **Bleach:** Do not use bleach.

TROUBLESHOOTING

- New Product Odor:** A slight odor from the new material may be present upon unpacking. This odor is harmless and will largely dissipate if the table runner is air-dried in a well-ventilated area.
- Creases from Shipping:** The table runner is folded for shipping, which may result in creases. These can be removed by ironing on a low-temperature setting.
