6. CARE AND MAINTENANCE

To maintain the appearance and longevity of your coffee table:

- Wipe clean with a soft, damp cloth. Avoid abrasive cleaners.

- The table is **not stain resistant**. Promptly clean any spills to prevent staining.
- Keep the table away from direct sunlight and excessive moisture to prevent warping or discoloration.
- Periodically check all hardware and tighten if necessary to ensure stability.

7. TROUBLESHOOTING

If you encounter issues with your coffee table, refer to the following common solutions:

- **Table is wobbly:** Ensure all screws and fasteners are fully tightened. If the issue persists, disassemble and reassemble, paying close attention to the alignment of each component.
