User Manual for vidaXL Recliner Chair

Model: 339083

INTRODUCTION

Thank you for purchasing the vidaXL Recliner Chair. This manual provides essential information for the safe and efficient assembly, operation, and maintenance of your new recliner. Please read this manual thoroughly before use and retain it for future reference.

SAFETY INSTRUCTIONS

- Always ensure all components are securely fastened before use.
- Do not allow children to play on or around the recliner without supervision.
- Keep hands and feet clear of moving parts during reclining operation.
- The recliner is designed for single adult use. Do not exceed its intended weight capacity.
- Avoid placing the recliner near heat sources or in direct sunlight for prolonged periods.

- Use only on a flat, stable surface.

ASSEMBLY

The vidaXL Recliner Chair typically requires minimal assembly. Follow these steps carefully:

1. Unpack all components and verify against the parts list (refer to your packaging for the complete list). Ensure all parts are present and undamaged.
2. Attach the backrest to the seat base. Align the metal brackets on the backrest with the corresponding slots on the seat base and push down firmly until they click into place.
3. Attach the side panels/armrests if they are separate components.
4. Screw in the chair legs (if applicable) securely.
5. Ensure all connections are secure before using the chair.

OPERATING INSTRUCTIONS

Reclining Function

To recline the chair, apply gentle pressure to the backrest while pushing back with your body. The footrest will simultaneously extend. To return to the upright position, lean forward and apply pressure to the footrest with your legs until it retracts and the backrest returns to its original position.

MAINTENANCE AND CARE

Fabric Care

The recliner is upholstered in durable fabric. For general cleaning, vacuum regularly using an upholstery attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, a mild fabric cleaner designed for upholstery can be used, following the product's instructions. Test any cleaning solution on an inconspicuous area first.

Mechanism Care

Periodically check all bolts and screws to ensure they are tight. Tighten if necessary. The reclining mechanism is designed for smooth operation and typically requires no lubrication. If the mechanism becomes stiff or noisy, contact customer support.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Chair does not recline smoothly.	Mechanism obstruction or loose connections.	Check for any objects obstructing the mechanism. Ensure all assembly bolts are tightened.

Problem	Possible Cause	Solution
Footrest does not extend/retract fully.	Mechanism obstruction or improper alignment.	Verify no items are blocking the footrest. Re-check assembly of the backrest and seat base.
Chair is wobbly.	Loose legs or uneven surface.	Ensure all legs are securely tightened. Move the chair to a flat, even surface.
