The yarn-dyed woven fabric covers are UV-treated and water-repellent, making them suitable for outdoor conditions. For heavy rain, it is recommended to bring cushions indoors for extended longevity.

### Maintenance and Care

Proper care will extend the life and appearance of your patio furniture.

- **Aluminum Frame:** Wipe with a dry, soft cloth to remove dust and debris. Avoid abrasive cleaners.
- **Fabric Cushions:** The cushion covers are detachable and washable. They feature zippers for easy removal. Hand wash gently if necessary. The yarn-dyed fabric is designed for outdoor fading resistance.
- **Tempered Glass Table Top:** Simply wipe with a damp cloth and mild cleaner for easy cleaning.
- **General Care:** While weather-resistant, storing cushions indoors during prolonged periods of harsh weather or off-season will help maintain their condition.

### Troubleshooting

If you encounter any issues with your furniture set, please refer to the following common solutions:

- **Missing Parts:** If any hardware or components are missing upon arrival, please contact HOOOWOOO customer service immediately for replacements.
- **Assembly Difficulties:** Ensure all screws are aligned correctly before tightening. Do not overtighten screws until all parts are loosely fitted. If a screw hole is misaligned, gently adjust the frame to facilitate insertion.
- **Cushion Shifting:** Ensure the fixed ropes on the cushions are properly secured to the furniture frame to prevent movement.
- **Stability Issues:** Verify that all screws are tightened securely. Ensure the furniture is placed on a flat, even surface.
