Glocusent GLCSNTBL301

Glocusent GLCSNTBL301 USB Rechargeable Book Light User Manual

Model: GLCSNTBL301 | Brand: Glocusent

1. Introduction

This manual provides detailed instructions for the safe and effective use of your Glocusent GLCSNTBL301 USB Rechargeable Book Light. Please read this manual thoroughly before operating the device and retain it for future reference.

2. Product Overview

2.1 Key Features

- **Adjustable Brightness:** 5 dimmable brightness levels to suit various reading environments.
- **Multiple Color Modes:** 3 distinct color temperatures: Amber (1800K) for blue light filtering, Breeze (3400K) for comfortable reading, and Precise (6000K) for focused tasks.
- **USB Rechargeable:** Integrated 500mAh battery provides 10-80 hours of illumination per charge, depending on brightness settings.
- **Flexible Design:** The clip opens up to 150°, and the light head rotates 90° left/right and 45° downward for optimal positioning.
- **Compact & Portable:** Weighing only 1.41oz (41g), its lightweight design makes it ideal for travel and easy clipping onto books.
- **Eye-Caring:** Designed to provide even light distribution without flickering or harsh glare, reducing eye strain.
- **Power Indicators:** 4 LED indicators display remaining battery power.

2.2 Package Contents

- 1 x Glocusent GLCSNTBL301 Book Light
- 1 x Bookmark

- 1 x User Manual

3. Setup

3.1 Charging the Book Light

Before first use, fully charge the book light. The integrated USB plug allows for direct charging without an additional cable.

1. Locate the USB plug at the base of the book light. It is protected by a cover that blends with the casing.
2. Insert the USB plug into any standard USB port (e.g., computer, power bank, USB wall adapter).
3. The 4 power indicator LEDs will illuminate to show charging progress. All 4 LEDs will be solid when fully charged.

A full charge typically provides 10-80 hours of use, depending on the selected brightness level.

4. Operating Instructions

4.1 Power On/Off

Press the power button (marked with a circle and vertical line) located on the front of the device to turn the light on or off.

4.2 Adjusting Brightness

The book light offers 5 brightness levels. After turning the light on, press the brightness adjustment button (marked with three horizontal lines) repeatedly to cycle through the 5 brightness settings. The device will remember your last brightness setting for future use.

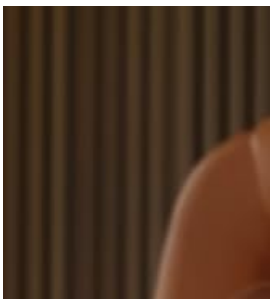

Image: Visual representation of the 5 adjustable brightness levels, from dim to bright.

4.3 Changing Color Modes

The book light features 3 color modes. Press the color mode button (marked with a light bulb and temperature icon) repeatedly to switch between:

- **Amber Mode (1800K):** Filters 99.9% of blue light, ideal for eye protection and reducing eye strain, especially before sleep.
- **Breeze Mode (3400K):** Provides a cozy and comfortable light, suitable for general reading.

- **Precise Mode (6000K):** Offers a bright, clear light for tasks requiring high concentration.

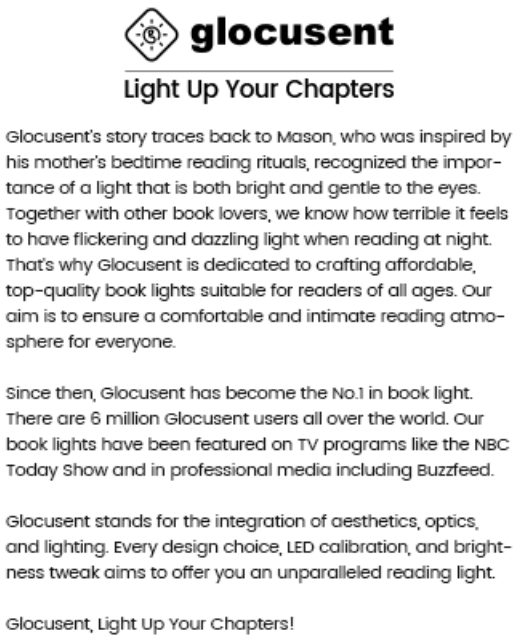

Image: A visual guide to the three distinct color modes and their recommended uses.

4.4 Adjusting Light Angle

The book light is designed with flexibility to accommodate various reading positions and book sizes:

- The clamp can open up to 150° to securely attach to books or other surfaces.
- The light head can be rotated 90° to the left, 90° to the right, and 45° downward.

NOTE: DO NOT turn the head of the light hard to the left or right beyond 90°, as it contains an internal electrical cord that could be damaged.

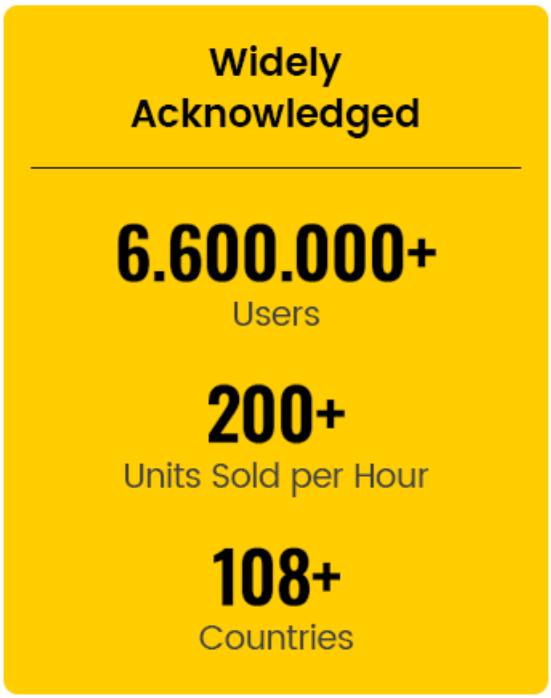

Image: Illustrations demonstrating the 150° clamp opening and the 90° left/right and 45° downward rotation of the light head.

5. Maintenance

5.1 Cleaning

To clean the book light, gently wipe it with a soft, dry cloth. Avoid using abrasive cleaners or solvents, as these can damage the finish or electronic components.

5.2 Storage

When not in use for extended periods, store the book light in a cool, dry place. Ensure it is fully charged before storing to maintain battery health.

6. Troubleshooting

Problem	Possible Cause	Solution
Light does not turn on.	Battery is depleted.	Charge the book light using a standard USB port. Check power indicators.
Light flickers or is dim.	Low battery or incorrect brightness setting.	Recharge the device. Adjust brightness level using the brightness button.
Cannot change color mode.	Incorrect button pressed or temporary software glitch.	Ensure you are pressing the color mode button. Try turning the device off and on again.
Light head feels loose or does not hold position.	Normal wear or excessive force applied.	Avoid over-rotating the light head beyond specified limits. If damage is suspected, contact customer support.

7. Specifications

Feature	Detail
Model Name	Bookmark Style Reading Light
Item Model Number	GLCSNTBL301
Dimensions	4.09"D x 1.34"W x 0.59"H (10.4 x 3.4 x 1.5 cm)
Item Weight	1.45 ounces (41 Grams)
Light Source Type	LED
Number of Light Sources	5
Brightness	28 Lumen
Color Temperatures	Amber (1800K), Breeze (3400K), Precise (6000K)
Power Source	Battery Powered (Lithium Polymer)
Battery Capacity	500mAh
Voltage	5 Volts (DC)

Feature	Detail
Control Method	Touch Buttons
Mounting Type	Clip On
Material	Acrylonitrile Butadiene Styrene (ABS)
Finish Type	Matte
Water Resistance Level	Not Water Resistant
Certifications	FCC, CE, RoHS, PSE, C-TICK approved
