Core Innovations ALM204

Core Innovations Baby Shark Alarm Clock and Bluetooth Speaker (Model ALM204) User Manual

Your guide to setting up and operating your new Baby Shark Alarm Clock.

1. SETUP AND CHARGING

Before initial use, ensure the device is fully charged using the provided 4-foot USB cable. The device features a rechargeable battery for portability.

2. OPERATING INSTRUCTIONS

2.1 Sleep Training Modes

The Baby Shark Alarm Clock offers interactive sleep, play, and wake modes to assist children with sleep training.

- **Sleep Mode:** Set a desired sleep time. The clock will display a sleeping Baby Shark (eyes closed) to indicate quiet hours. An optional night light can be set to aid peaceful sleep.
- **Play Mode:** Approximately 30 minutes before the set wake time, the clock's eyes will open, glow, and begin to look around. This visual cue encourages children to play quietly until the official wake time.
- **Wake Mode:** At the set wake time, the Baby Shark Clock will glow and play the Baby Shark song.

The green light will remain illuminated for one hour, allowing for flexibility if your child sleeps in.

2.2 Night Light and Sounds

The device features a built-in night light and various sound options.

- **Night Light:** Activate the night light for a comforting glow. The light can be set to various colors.
- **Sounds:** Enjoy alarm sounds, nature sleep sounds, and the iconic Baby Shark song.
- **Snooze Function:** A snooze function is available for alarms.

Plays Baby Shark Song

" BABY SHARK, DOO DOO DOO DOO DOO DOO"

2.3 Bluetooth Speaker

Connect your device wirelessly to the Baby Shark Alarm Clock to stream music.

- **Pairing:** Refer to the device's specific instructions for Bluetooth pairing.
- **Playback:** Once paired, stream audio from your connected device.

3. MAINTENANCE

To clean the device, simply wipe it with a clean, damp cloth. Avoid using harsh chemicals or abrasive materials.

4. TROUBLESHOOTING

If you encounter any issues, please ensure the device is fully charged. If problems persist, refer to the official product support resources.

5. SPECIFICATIONS

Feature	Detail
Brand	Core Innovations
Model Number	ALM204
Color	Yellow
Display Type	Digital
Special Feature	Programmable, Timer
Product Dimensions	6.1"W x 6.8"H
Power Source	Battery Powered
