APPLICATION INSTRUCTIONS

For optimal fragrance experience and longevity, follow these application guidelines:

- Preparation:** Apply perfume to clean, moisturized skin. Moisturizing helps to hold the fragrance longer.
- Pulse Points:** Spray the perfume onto pulse points where the skin is warmer, such as wrists, neck, behind the ears, and décolletage. The warmth helps to diffuse the scent throughout the day.
- Distance:** Hold the bottle approximately 5-7 inches (12-18 cm) away from your skin when spraying to ensure an even mist.
- Do Not Rub:** After applying, avoid rubbing your wrists together or rubbing the sprayed area, as this can break down the fragrance molecules and alter the scent.
- Layering (Optional):** For a more intense and longer-lasting scent, consider using complementary scented body lotions or creams before applying the perfume.

CARE AND STORAGE

Proper care and storage are essential to preserve the quality and longevity of your perfume:

- Keep Away from Heat and Light:** Store the perfume in a cool, dark place, away from direct sunlight and extreme temperatures. Heat and light can degrade the fragrance over time.
- Maintain Original Packaging:** Keeping the perfume in its original box can provide an extra layer of protection from light and temperature fluctuations.
- Avoid Humidity:** Do not store perfume in humid environments like bathrooms, as humidity can also affect its composition.
- Secure Cap:** Always ensure the cap is tightly closed after each use to prevent evaporation and oxidation.

TROUBLESHOOTING

If you encounter issues with your perfume, consider the following:

- Scent Longevity:** If the fragrance does not last as long as desired, ensure you are applying it to pulse points on moisturized skin. Skin type (oily vs. dry) can also affect how long a scent lasts. Reapplication may be necessary throughout the day.
- Scent Perception:** Individual perception of fragrance can vary. Factors like body chemistry, diet, and environment can influence how a perfume smells on you.
- Storage Issues:** If the scent has changed or weakened significantly, review your storage conditions. Exposure to heat, light, or air can degrade the perfume.

PRODUCT SPECIFICATIONS

Feature	Detail
Brand	MINISO
Product Name	Eau de Toilette Perfume, Summer Dream
Item Form	Liquid
Item Volume	50 Millilitres
Scent	Summer Dream (Floral and Fruity)

Special Feature	Travel Size
Product Dimensions (LxWxH)	4.8 x 4.8 x 11 cm
Item Weight	178 g
Country of Origin	India
Model Number	4897116385659

SAFETY INFORMATION

Caution: For external use only. Avoid direct contact with eyes. If product gets into eyes, rinse well with water immediately. Keep out of reach of children. If signs of irritation or rash appear, discontinue use immediately. Flammable, keep away from fire.
