LUMISOL 279

LUMISOL Outdoor Sunbed with Retractable Canopy - Instruction Manual

Model: 279

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your LUMISOL Outdoor Sunbed with Retractable Canopy. Designed for outdoor relaxation, this sunbed offers both comfort and versatility with its adjustable canopy and curtains. Please read this manual thoroughly before assembly and use to ensure safe and proper operation.

Image: The LUMISOL Outdoor Sunbed, featuring a black rattan base and blue cushions, with its retractable canopy and side curtains providing shade in an outdoor patio environment.

SAFETY INFORMATION

- **Weight Capacity:** Do not exceed the maximum weight capacity of 650 lbs (approximately 2-6 people, depending on individual weight). Overloading can cause structural damage and injury.
- **Assembly:** Assembly requires at least two people. Ensure all components are securely fastened before use.
- **Stability:** Place the sunbed on a flat, stable surface to prevent tipping.
- **Weather Conditions:** While weather-resistant, it is recommended to retract the canopy and secure or remove curtains during strong winds or heavy rain to prevent damage. Cushions should be stored indoors during inclement weather or when not in use for extended periods.
- **Children and Pets:** Supervise children and pets around the sunbed to prevent accidents.
- **Sharp Objects:** Avoid using sharp objects near the rattan or fabric to prevent punctures or tears.

COMPONENTS LIST

Before beginning assembly, ensure all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Sunbed Frame (PE Rattan and Steel)
- Cushions (Polyester Upholstery, Foam Fill)
- Retractable Canopy Fabric
- Side Curtains
- Assembly Hardware (bolts, nuts, washers)
- Basic Assembly Tools (some additional tools may be required)

SETUP AND ASSEMBLY

Assembly is required for this product and is best performed by two adults. Follow the step-by-step instructions provided in the included assembly guide. While some tools are provided, additional household tools like a screwdriver or wrench may be beneficial.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
2. **Assemble Base Frame:** Connect the steel inner frame components according to the diagrams in the separate assembly manual. Ensure all bolts are finger-tight before fully tightening.
3. **Attach Rattan Panels:** Secure the PE rattan panels to the assembled frame.
4. **Install Canopy Frame:** Assemble and attach the canopy support frame to the main sunbed structure.
5. **Drape Canopy and Curtains:** Attach the retractable canopy fabric and side curtains to the designated points on the frame.
6. **Place Cushions:** Position the foam-filled cushions onto the sunbed.
7. **Final Tightening:** Once all parts are in place, carefully tighten all bolts and screws using the provided tools. Do not overtighten.

OPERATING INSTRUCTIONS

Retractable Canopy

The sunbed features a retractable canopy for adjustable shade. To extend the canopy, gently pull it forward along its tracks until it reaches the desired position. To retract, push it back. Ensure smooth movement and avoid forcing the mechanism.

Image: The sunbed with its blue canopy partially retracted, demonstrating its adjustable nature for varying levels of sun exposure.

Image: The sunbed with its blue canopy fully extended, providing maximum shade and privacy.

Side Curtains

The four-sided curtains provide additional privacy and sun protection. They can be tied back to keep the panels open or released to enclose the sunbed. The curtains can also be completely removed if not desired.

Image: The sunbed with its blue curtains fully closed, demonstrating the privacy and enclosure it can offer.

Adjustable Seating

The sunbed features an adjustable backrest for customized comfort. Lift the backrest to the desired angle and ensure it locks securely into place. To lower, lift slightly to disengage the lock and gently push down.

MAINTENANCE

- **Cleaning Rattan Frame:** Wipe the PE rattan frame with a damp cloth and mild soap. Rinse thoroughly with clean water and dry completely. Avoid harsh chemicals or abrasive cleaners.
- **Cushion Care:** The polyester cushions are water-resistant but not waterproof. Spot clean with a mild detergent and water. For deeper cleaning, the cushion covers have zippers and can be removed. Allow covers to air dry completely before reattaching. *Do not machine wash or tumble dry.*
- **Canopy and Curtains:** Clean the canopy and curtains with a soft brush or cloth and mild soapy water. Rinse well and allow to air dry.
- **Storage:** During off-season or prolonged periods of non-use, it is highly recommended to store cushions indoors. If possible, cover the entire sunbed with a protective outdoor furniture cover to prolong its lifespan and prevent fading.
- **Hardware Check:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary to

maintain structural integrity.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Canopy/Curtains difficult to move or retract.	Debris in tracks, misaligned fabric, or stiff mechanism.	Clean tracks of any debris. Ensure fabric is not snagged. Apply a silicone-based lubricant to tracks if necessary.
Cushions fading in color.	Prolonged exposure to direct sunlight.	This is a common issue with outdoor fabrics. Store cushions indoors when not in use, especially during peak sun hours. Consider using a UV-protective spray for outdoor fabrics.
Sunbed feels wobbly or unstable.	Loose assembly hardware or uneven ground.	Check and tighten all bolts and screws. Ensure the sunbed is placed on a level surface.
Structural components (e.g., bars) bending.	Exceeding weight capacity or improper use.	Ensure the sunbed's weight capacity is not exceeded. Avoid standing or jumping on the sunbed. If damage occurs, contact customer support for replacement parts or repair advice.

SPECIFICATIONS

Feature	Detail
Model Number	279
Overall Dimensions (H x W x D)	72.4" H x 77.2" W x 53.1" D (Product Description) / 77.6"D x 53.5"W x 71.7"H (Specifications) <i>Note: Slight variations may exist between listed dimensions.</i>
Weight Capacity	650 lbs
Seat Height	13.4" H (Product Description) / 15.4 Inches (Specifications) <i>Note: Slight variations may exist between listed dimensions.</i>
