MAINTENANCE

To ensure the longevity and optimal performance of your SQRMINI Mini Bluetooth Earpiece, please follow these maintenance guidelines:

- **Cleaning:** Gently wipe the earpiece and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.
- **Battery Care:** If you do not use the earpiece for an extended period, charge it at least once a month to prevent battery degradation.
- **Storage:** Store the earpiece in its charging case when not in use to protect it from dust and damage. Keep it in a cool, dry place away from extreme temperatures.
- **Water Resistance:** The earpiece has a waterproof rating. However, avoid submerging it in water or exposing it to heavy rain for prolonged periods.

TROUBLESHOOTING

If you encounter any issues with your SQRMINI Mini Bluetooth Earpiece, please refer to the common solutions below:

Problem	Possible Solution
Earpiece not turning on.	Ensure the earpiece and charging case are fully charged.
Cannot pair with device.	Make sure Bluetooth is enabled on your device. Ensure the earpiece is in pairing mode (usually indicated by a flashing light). Forget the device from your phone's Bluetooth settings and try pairing again. Move the earpiece closer to your device.
No sound or low volume.	Adjust the volume on both your device and the earpiece. Ensure the earpiece is properly connected to your device. Check if the earpiece is clean and free of debris.
Call quality issues (e.g., muffled sound).	Ensure the microphone is not obstructed. Move to an area with less background noise. Check your device's network signal.

If problems persist, please contact customer service for assistance.
