4. SETUP AND ASSEMBLY

Follow these steps to assemble your chastity cage:

1. **Select Ring Size:** Choose the active ring that provides the most comfortable and secure fit. The kit includes three sizes: approximately 40mm, 45mm, and 50mm inner diameter.
2. **Attach Ring:** Align the attachment points of the chosen active ring with the base of the chastity cage. Gently snap the ring into place until it is securely fastened.
3. **Insert Lock:** Once the ring is attached, insert the key into the lock mechanism located at the top of the cage. Turn the key to ensure the lock is functioning correctly.
4. **Secure Device:** After placing the device, insert the key and turn it to lock the cage securely. Remove the key.

5. OPERATING INSTRUCTIONS

For optimal comfort and security, follow these operating guidelines:

- **Preparation:** Ensure the device is clean and dry before each use. For added comfort, a small amount of water-based lubricant may be applied to the skin or the inside of the ring.
- **Wearing:** Carefully guide the penis through the cage and the scrotum through the chosen active ring. Ensure the device sits comfortably without pinching or excessive pressure.
- **Fit Adjustment:** If discomfort occurs, try a different size active ring. The correct fit is snug but not restrictive, allowing for normal circulation.
- **Hygiene:** The hollowed-out design allows for convenient urination and easy cleaning while worn. Regular cleaning is

recommended.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
Discomfort or Pinching	Incorrect ring size; improper placement; skin irritation.	Try a different size active ring. Ensure proper placement and adjust as needed. Apply a small amount of water-based lubricant. Ensure skin is clean and free of irritation.
Difficulty Locking/Unlocking	Key not fully inserted; debris in lock mechanism.	Ensure the key is fully inserted and turned correctly. Clean the lock mechanism if any debris is visible. Do not force the key.
Device feels loose	Ring size is too large.	Switch to a smaller active ring for a more secure fit.
