WLIVE ASNG138

WLIVE 4-Drawer Dresser (Model ASNG138) Instruction Manual

Model: ASNG138

1. Introduction

Thank you for choosing the WLIVE 4-Drawer Dresser. This manual provides essential information for the safe assembly, operation, and maintenance of your new furniture. Please read these instructions carefully before beginning assembly and retain them for future reference.

Image 1.1: Front view of the WLIVE 4-Drawer Dresser.

2. Important Safety Information

To prevent serious injury, always follow these safety precautions:

- **Anti-Tipping Device:** It is crucial to install the included anti-tipping device. This device secures the dresser to the wall, significantly reducing the risk of tipping over, especially in households with children or pets.
- **Weight Limits:** Do not exceed the maximum weight capacity for each drawer (22 lbs / 10 kg) and the tabletop (88 lbs / 40 kg). Overloading can compromise stability and structural integrity.
- **Assembly:** Assemble the dresser on a soft, clean surface to prevent scratches. Ensure all screws and fasteners are

securely tightened before use. Periodically check and re-tighten fasteners as needed.

- **Placement:** Place the dresser on a level surface to ensure stability. Avoid placing heavy objects on top that could cause imbalance.

3. Package Contents

Before assembly, verify that all components are present and undamaged. Refer to the detailed parts list provided in your assembly instructions. Typically, the package includes:

- Dresser panels (top, bottom, sides, back)
- Drawer panels and bases
- Metal handles
- Drawer slides
- Legs and mounting hardware

- Assembly hardware (screws, dowels, cam locks, etc.)
- Anti-tipping device kit
- Instruction manual

All parts and accessories are coded for easy identification during assembly.

4. Setup and Assembly

Assembly of the WLIVE 4-Drawer Dresser requires following the detailed step-by-step instructions provided in the separate assembly guide. Ensure you have the necessary tools, typically a screwdriver (manual or electric) and possibly a hammer.

4.1 General Assembly Steps:

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a protected surface. Match each part to the corresponding code in the assembly guide.
2. **Assemble Frame:** Follow the instructions to connect the main frame panels using the provided hardware.
3. **Install Drawer Slides:** Attach the drawer slides to the dresser frame and the drawer sides as indicated.
4. **Assemble Drawers:** Construct each drawer, ensuring the bases are securely fitted and handles are attached.
5. **Attach Legs:** Securely fasten the dresser legs to the base.
6. **Install Anti-Tip Device:** This is a critical step. Securely attach the anti-tipping device to the back of the dresser and to a wall stud, following the specific instructions.

Precise holes are pre-drilled to facilitate accurate and faster installation. If using an electric drill, set it to a low torque to avoid overtightening or damaging the wood.

5. Operating Instructions

The WLIVE 4-Drawer Dresser is designed for organized storage in various rooms.

5.1 Drawer Usage:

- **Opening and Closing:** The drawers feature smooth metal slides for easy operation. Pull the handle gently to open and push firmly to close.
- **Load Capacity:** Each drawer can hold up to 22 lbs (10 kg). The top surface of the dresser can support up to 88 lbs (40 kg). Distribute weight evenly within drawers and on the tabletop.
- **Storage Suggestions:** Utilize the four deep drawers for clothing, linens, accessories, or other household items. The spacious design helps maintain an organized living space.

Image 5.2: Details of the dresser's handle, drawer slides, and base.

6. Care and Maintenance

Proper care will extend the life and appearance of your WLIVE dresser.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining or moisture damage.
- **Hardware Check:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain structural integrity.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the finish.

7. Troubleshooting

If you encounter any issues with your dresser, consider the following common solutions:

- **Wobbly Dresser:** Ensure the dresser is placed on a level surface. Check that all assembly screws, especially those connecting the main frame, are securely tightened.
- **Drawers Not Sliding Smoothly:** Verify that the drawer slides are correctly installed and aligned. Ensure no objects are obstructing the slides. Check that the drawer is not overloaded.
- **Damaged Parts:** If any parts were damaged during shipping or assembly, refer to the warranty and support section for assistance.

For persistent issues or concerns not addressed here, please contact WLIVE customer support.

8. Product Specifications

Feature	Specification
Brand	WLIVE
Model Name	ASNG138
Product Dimensions (D x W x H)	15.75"D x 31.5"W x 39.57"H
Color	Black
