4. SETUP

4.1 Initial Charging

Before first use, fully charge the speaker using the provided USB charging cable. Connect the small end of the USB cable to the speaker's charging port and the larger end to a USB power adapter (not included) or a computer's USB port. The charging indicator light will show the charging status.

4.2 Powering On/Off

- **To Power On:** Press and hold the power button for a few seconds until you hear an audible prompt and the indicator light illuminates.
- **To Power Off:** Press and hold the power button again for a few seconds until you hear an audible prompt and the indicator light turns off.

5. OPERATING INSTRUCTIONS

5.1 Bluetooth Pairing

1. Ensure the speaker is powered on and in Bluetooth mode (indicated by a flashing blue light).
2. On your mobile device, enable Bluetooth and search for available devices.
3. Select "Divoom Beetles" from the list of devices.
4. Once paired, the speaker will emit a confirmation sound, and the indicator light will turn solid blue.

5.2 FM Radio

1. Switch the speaker to FM mode.
2. Rotate the channel knob to scan for and tune into your desired radio station.
3. Adjust the volume using the dedicated volume control.

5.3 TF Card Playback

The speaker supports MP3 music playback from a TF (Micro-SD) card up to 128GB capacity.

1. Insert a TF card with MP3 audio files into the TF card slot on the speaker.
2. The speaker will automatically switch to TF card mode and begin playing music.
3. Use the speaker's controls to navigate tracks and adjust volume.

5.4 Hands-Free Calling

With its built-in microphone, the speaker allows for hands-free calls when connected via Bluetooth to your smartphone.

- **Answering a Call:** Press the multi-function button once to answer an incoming call.
- **Ending a Call:** Press the multi-function button once during a call to end it.
- **Rejecting a Call:** Press and hold the multi-function button to reject an incoming call.

6. CHARGING

The Divoom Beetles speaker is equipped with a 1000mAh battery, providing approximately 8 hours of playtime on a full charge. When the battery is low, the indicator light will signal, and an audible prompt may sound. Connect the speaker to a 5V-1A USB power source using the provided charging cable to recharge. The charging time is typically a few hours.

7. TROUBLESHOOTING

If you encounter issues with your Divoom Beetles speaker, please refer to the following common solutions:

- **No Power:** Ensure the speaker is fully charged. Connect it to a power source and try turning it on again.
- **No Sound:** Check the volume levels on both the speaker and your connected device. Ensure the speaker is correctly paired via Bluetooth or that the TF card is properly inserted and contains playable files.
- **Bluetooth Pairing Issues:** Make sure the speaker is in pairing mode (flashing blue light). Turn off and on Bluetooth on your device, and try pairing again. Move the speaker closer to your device to ensure it's within range.
- **Poor FM Reception:** Extend the antenna (if applicable) or reposition the speaker to improve signal reception.

8. SPECIFICATIONS

Feature	Specification
Speaker Type	Bookshelf
Special Features	Bluetooth, Portable, Wireless, FM Radio, TF Card Support, Built-in Microphone
Compatible Devices	Smartphone
Connectivity Technology	Bluetooth

Wireless Communication	Bluetooth
Speaker Size	33 Millimeters
Power Source	Battery Powered
Battery Capacity	1000mAh
Speaker Max Output Power	3 Watts

Control Method	App (for advanced features, if applicable)
Product Dimensions	6.8 x 4.8 x 3.5 cm
Item Weight	141 g

9. SAFETY INFORMATION

- Do not expose the speaker to extreme temperatures, direct sunlight, or high humidity.
- Avoid dropping or subjecting the speaker to strong impacts.
- Do not disassemble or attempt to repair the speaker yourself. This may void the warranty and cause damage.
- Keep the speaker away from water and other liquids.
- Use only the provided charging cable or a certified equivalent.
- Dispose of the battery and speaker responsibly according to local regulations.

10. WARRANTY AND SUPPORT

This product comes with a standard manufacturer's warranty. For detailed warranty information, please refer to the aftersales card included in your package or contact Divoom customer support. If you have any questions or require assistance with your speaker, please reach out to the retailer or manufacturer's support channels.
