EMEET M3

EMEET M3 Conference Speaker and Microphone User Manual

Model: M3

1. INTRODUCTION

The EMEET M3 is a Zoom-certified conference speaker and microphone designed for high-quality audio communication in various meeting environments. It features advanced AI-powered microphones, extended battery life, and versatile connectivity options to ensure clear and efficient communication for all participants.

2. PACKAGE CONTENTS

- EMEET OfficeCore M3 Speakerphone
- EMEET Adapter A300 (USB Dongle)
- USB Type-C Cable
- Carrying Case
- User Manual
- Security Statement
- Parameters Card

EFFICIENT COMMUNICATION

Noise Reduction

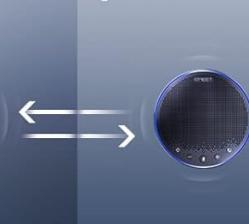

Echo Cancellation

Voice Amplification

Full Duplex

The EMEET M3 speakerphone is shown with its included accessories, neatly packed in a protective carrying case.

3. PRODUCT FEATURES

3.1. 360° Voice Pickup with 4 AI Microphones

The EMEET M3 is equipped with four smart omnidirectional microphones and VoicelA exclusive technology. This ensures 360° voice pickup, noise reduction, and echo suppression, allowing all attendees to be heard clearly without distortion. For optimal performance, place the speakerphone within a 15ft (4.5m) pickup range and avoid excessively noisy environments.

The EMEET M3 speakerphone captures voices from all directions using its 4 AI microphones, ensuring everyone is heard.

3.2. High-Performance Speaker

The built-in 5W high-performance speaker automatically balances volume, ensuring voices remain clear whether close to the device or across the table. This feature is recommended for medium to large meeting rooms.

A detailed view of the 5W speaker, designed for clear and balanced audio output.

3.3. Extended Battery Life

The EMEET M3 features a super performance battery that supports over 18 hours of continuous calling on a single 4-hour charge, eliminating concerns about power interruption during meetings.

SMART SPEAKER & DAISY CHAIN

Use Alone for 12 People

Use Alone for 12 People

The EMEET M3 provides up to 18 hours of talk time on a single charge, indicated by a graphic showing 0h to 18h usage.

3.4. Zoom Certified

The EMEET OfficeCore M3 is officially recognized by Zoom as a compatible voice partner, ensuring professional-grade performance for online communication.

3.5. Daisy Chain Functionality

For larger meetings, the M3 can be daisy-chained with another EMEET unit using a dedicated cable (Note: exclusive for EMEET daisy chain) to accommodate up to 20 attendees, expanding its voice pickup and audio coverage.

EFFICIENT COMMUNICATION

Noise Reduction

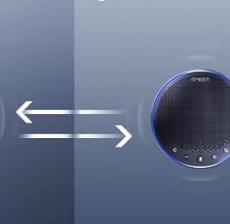

Echo Cancellation

Voice Amplification

Full Duplex

Two EMEET M3 speakerphones connected via daisy chain to cover a meeting of up to 20 people.

4. SETUP AND CONNECTIVITY

4.1. Connecting Your EMEET M3

The EMEET M3 offers multiple connection methods for flexibility:

- USB 2.0 Wired Connection:** Connect the device directly to your computer using the provided USB Type-C cable for stable audio transmission. Avoid docking stations or low-power USB ports to prevent sound cut-outs.
- Bluetooth 5.0 Wireless Connection:** Pair the M3 with your smartphone or other Bluetooth-enabled devices. The Bluetooth range is up to 10 meters.
- USB Dongle (EMEET Adapter A300):** For computers without built-in Bluetooth, use the included EMEET Adapter A300 for a stable wireless connection.

Why Choose EMEET M3 Conference Speaker and Microphone?

Model		EMEET M3	Other
Meeting with		Use Alone for 12 People Use Daisy Chain for 20 People	Up to 12 People
Battery Endurance		18 Hours	12-16 Hours
Mic Numbers		4 AI mics array	Only 2-4 Common Mics
Mic Sampling Rate		100-10 kHz	Just 36-48 kHz
Mic Functions		Advanced noise suppression, EMEET is expertise from professional audio fields	Common noise suppression
