MAINTENANCE AND CARE

Proper care will extend the life and maintain the performance of your jersey. Always refer to the care label inside the garment for specific instructions.

Washing Instructions:

- **Machine Wash Cold:** Use a gentle cycle with similar colors.
- **Mild Detergent:** Avoid harsh detergents, bleach, or fabric softeners, as these can damage the fabric.
- **Do Not Bleach:** Bleaching agents will degrade the material and color.
- **Do Not Dry Clean:** Dry cleaning chemicals can harm the fabric.

Drying Instructions:

- **Tumble Dry Low or Hang Dry:** For best results and to prevent shrinkage, air dry the jersey. If using a dryer, select a low heat setting.
- **Do Not Iron:** Ironing can damage the fabric and any printed graphics.

Storage:

Store the jersey in a cool, dry place away from direct sunlight. Ensure it is clean and completely dry before storing to prevent mildew or odors.

TROUBLESHOOTING AND COMMON ISSUES

Most issues related to apparel can be resolved with proper care and handling.

- **Shrinkage:** Often caused by high heat washing or drying. Always follow recommended care instructions.
- **Fading Colors:** Can occur from excessive sun exposure or improper washing. Wash with similar colors and avoid harsh detergents.
- **Fabric Damage:** Sharp objects, abrasive surfaces, or harsh chemicals can damage the fabric. Handle with care.
- **Uncomfortable Fit:** Ensure you have selected the correct size based on the Alpinestars sizing chart.
